# CONSTITUTION
# RULES OF ORDER

(Adopted October 23, 1963)

### ARTICLE I - NAME

The name of this body shall be the Chowan Baptist Association of North Carolina.

### ARTICLE II - PURPOSE

We join our local churches in the framework of this Association:

1. To give concrete and meaningful expression in the Christian Fellowship we share in Jesus Christ.
   Baptists have long maintained the local autonomy of each Baptist church. Such emphasis has effectively restrained the growth of any ecclesiastical hierarchy within the Baptist denomination. It has also carried the inherent danger that the local church may forget the "Universal Body of Christ" with its "one Lord, one faith, one baptism," and the fellowship which all Christians share one with the other. We join ourselves together in the belief that those members of Christ's church who call themselves Baptists can effectively give expression to Christian Fellowship with churches of their own denomination and hope for an effective expression of Christian Fellowship across denominational lines.
2. To increase the effectiveness of our individual churches in their outreach in and through Jesus Christ in the tasks of missions, evangelism, and education.

The Association formed by our churches increases the effectiveness of each of the participating individual churches:

a. By serving as a vital link of communication between the local church and the Baptist State Convention and the Southern Baptist Convention.
b. By providing a broader basis of resources -- both financial and personal -- on which all of our sister churches may call when they find themselves in need of and unable to provide such assistance for themselves.
c. By providing a framework in which the interested "leaders" of each local church can receive guidance and training which will facilitate their own ability to give guidance and training to the local church of which they are a part.
d. By providing a channel through which the world-wide mission of the Christian Church may be strengthened and meaningfully supported.
e. By serving as a "sounding board" where the individual churches can share their thoughts, problems, and questions with their fellow churches, and gain insight and guidance in the mutual exchange.
f. By providing an instrument through which each local church can share in and add strength to the efforts of all Christians to meet the expanding needs for effective local missions and evangelism.
g. By providing an instrument through which the vision and resources of our individual churches can be mobilized for an all-out effort to enlist the people of our area in a meaningful program of Christian recreation, education, and service.

The report was adopted.

22. Dennis Morgan moved that the Association express appreciation to Mr. Hollowell for his good work as Associational Treasurer. The motion unanimously carried with a standing vote.

23. Mrs. Asbell gave the following Camp Council Report.

## CAMP COUNCIL REPORT

The activities at Camp Cale have been rewarding this summer, even though at the beginning of the year, we, the Camp Council and many other interested persons, were not too optimistic.

As you know our resident camp program was curtailed due to inadequate facilities as specified by the Health Department. Since we had two successful summer camp operations, naturally we had that "let down" feeling. On the other hand some of us realized that this probably was a testing period. That is to say this piece of property given to the Association adjoining the Boy Scout Camp, Camp Perry, could be developed if we felt the need of such a camp program.

Immediately, we think of the many successful camps around the world on our mission fields. We had mention in Royal Service of a camp in Italy back in the winter and how much it meant to the youth of the land. Many years ago we had a Baptist Camp in Cuba. Humeri (Little Ridgecrest). The Ralp Harrells' have talked of their camp activities in Africa. Also in the Home Mission study in March we remember the camp in Panama - a church was the direct results of this. We mention these because it is relevant to our issue here in the Chowan Association. We hope to be proud of the results of this camp for our youth in years to come.

In the spring when we realized resident camping at Camp Cale was out for the summer we had reservations as to the activities there during the summer months. I'd like to give you a rundown of activities there.

| CHURCH | DATE | ACTIVITY |
|---|---|---|
| Beulah | 5-21-66 | Prayer Retreat |
| Rehoboth | 6-18-66 | Swimming and Cookout |
| Beulah | 6-23-26 | Weekend Camp |
| Beulah | 6-28-66 | Sunbeam Day Camp |
| Edenton | 7-8-9 | RA Boys |
| Rocky Hock | 7-15-17 | RA Campout |
| Beulah | 7-24-66 | WMS Prayer Retreat |
| Beulah | 8-12-13 | Discussion group - young adult S.S. Class |
| Association | 8-16-18 | Day Camps |
| Center Hill | 8-19-21 | Intermediate Camping |
| Association | 8-23-66 | GA Day Camp |
| Association | 8-30-66 | Prayer Retreat |

Sunbeam Day Camp was better attended than last year.

GA Day Camp - girls 9-15 years. These 150 girls represented about 14 churche One church had 16 to attend. Two-thirds of these girls had never been to the camp site before. At the close of the day they were pleading for a permanent building s that they might stay longer. I might add here, one of the two lifeguards told me th all in all the groups who came this summer seemed to appreciate the campsit more than previous summers.

The Association-wide Prayer Retreat directed by WMU Prayer Chairman, Mr Howard Stokes, was held at the campsite with 32 women present. 12 women h never been to the camp before. These women seemed very interested in helping further the development. That night after we had held the Prayer Retreat I had a lo distance call from a WMS lady saying "We have a contribution for Camp Cale. whom shall we send this?"

All in all we feel that Camp Cale has been a meaningful experience for the 448 persons who enjoyed the beauty of God's handwork there this summer.

The Camp Council met September 8. Since that meeting the camp overseer Mr. Lane has been paid in full for the three months service during the summer. We hope he will continue in this capacity as year round caretaker.

The canoes have been stored.

The gate has been put up at location as in the master plan. Also, Mr. Billy Jackson, maintenance chairman, is getting a lock and have six keys made. These keys will be at the following places.

1. Associational office in Edenton
2. Mr. Lane, caretaker, at campsite entrance
3. Mr. Billy Jackson, Elizabeth City
4. Rev. Billy Leary, Sunbury
5. Rev. Norman Harris, Hertford
6. Mrs. Thomas Asbell, Tyner

The road is in excellent condition. We hope to store the hogans and trailer within a very few days. They have been left up this long because we thought possibly some group might take advantage of the Indian summer weather for an overnight stay at the camp.

The report on motion was adopted.

24. Irvin Acree in the absence of Mr. E.R. Woodard, chairman of trustees, gave the following trustees report.

## MISSIONS ADVISORY COMMITTEE REPORT

The Missions Advisory Committee of the Chowan Baptist Association has held regular monthly meetings throughout the past year. There were many routine matters of business that were taken care of during these meetings and there are several items of business that deserve our special attention in this annual report to the Association.

1. We have worked closely with the Superintendent of Missions of our Association. We have sought to follow the "Guidelines" adopted by the Association last year. We received a monthly report of the activities of the Superintendent of Missions, Robert S. Harrell. With the leaving of Mr. Harrell in July the Missions Committee has sought to work closely with Mrs. Paulett Lane in our associational office. The office has remained open at least two days each week and the secretary is carrying on the regular office work of the promotion, editing the CHOWAN BAPTIST BULLETIN, getting out notices of meetings, and sharing information in the office with the churches. We are grateful to Mrs. Lane and her faithfulness in her work for our Association.

2. We requested and received from the North Carolina Baptist State Convention Mission Board $720.00 for the salary of the Superintendent of Missions (which was used in our associational budget) and $600.00 which was used in our summer program at the Kitty Hawk Chapel.

3. We recommended to the Executive Committee that the Association engage in a School of Missions in 1969.

4. We sponsored a conference on the changing community at the Center Hill Church on May 19, with Rev. Bob Bruhn of Raleigh leading the discussion. This conference was especially well attended by the smaller churches of our Association.

5. We have spent much of our time and attention this year working with the Kitty Hawk Baptist Chapel. The 1966 summer missions program ran from June 5 through September 4. This was the most successful summer since we have had work at the beach. Visitors from over 15 states worshipped in the chapel this summer in addition to our own people from our Association.

Average attendance at the Chapel was over 50 each Sunday and the total offerings were over $400.00. Steve Watson, a senior at Southeastern Seminary, served as pastor of the Chapel for the summer.

One interesting project this summer was a house-to-house community survey in the village of Buxton conducted in connection with the Church Development Department of the Baptist State Convention. At present there is no Baptist work south of Nags Head on the Outer Banks. The results of this survey have been passed along to the Church Development Department.

Your Missions Advisory Committee would like to take this opportunity to thank the churches of our Association for their help in the teaching of Sunday School this summer at the Chapel. Our churches, almost without exception, responded in a wonderful way in helping teach Sunday School. This is certainly one way of participating in missions right here at home.

This year has been a busy year for our Missions Committee and for our Association. It has been a year in which we have tried to accept our responsibility and see the challenge before us as we went about our work. When we look about us we have hardly begun to scratch the surface in the area of missions in our area of the state. There is much work yet to be done and now is the time for renewed dedication and sacrifice as we look to the future. It is the prayer of your Missions Committee that we might be dedicated to God as we work together to accomplish His will in our lives and in our Association in the days ahead.

43. Special Music by Duard Murphy.

44. Ben Fisher, Chairman of the Baptist State Council on Christian Education, spoke on the Cooperative Program's concern for people.

45. The afternoon session was closed with prayer by Mr. Leonard Gerrald.

## WEDNESDAY MORNING SESSION

46. The Wednesday morning session at Ballard's Bridge was opened with the singing of "Crown Him With Many Crowns" conducted by Duard Murphy. Scripture and prayer were given by James Rock.

47. Mr. George Cooke, host pastor, gave the address of welcome after which came the registration of those who were not registered the previous day.

48. Moderator Donald Wagner recognized the visitors from outside the Association and various announcements were made.

49. Robert Seymour lectured on "Contemporary Social Issues - Politics."

50. Irvin Acree moved that we consider the recommendations of the Executive Committee that were presented at Tuesday's session. The motion to consider was passed.

51. The motion (see item 16) made Tuesday by Moderator Donald Wagner was passed by a vote of 94 to 20.

52. R.W. Kicklighter moved that all references to the Superintendent of Missions be removed from the Constitution. The motion carried.

53. Maynard Mangum moved that we adopt the Executive Committee's second recommendation (see item 17 of associational proceedings) and delete recommendation number three (see item 18 of associational proceedings). The motion was seconded.

55. The original motion as amended was adopted.

56. Maynard Mangum moved that $2,000.00 be sent to the Baptist State Convention in payment on notes held by the convention. The motion carried.

61. Bill Leary gave the report of the "Tithe Now" Committee. The following report on motion was adopted.

## "TITHE NOW" COMMITTEE REPORT

The request to serve on the Tithe... Now! Committee came as a challenge because of personal knowledge of how little many of our churches are giving to the work of our Lord. A look at our history of stewardship is very revealing. The truth is, we don't really have a stewardship history.

Tithing became Church Law in England in 1786 and State Law in 1900. It is interesting to note that this law was not repealed until 1936. When our founding fathers came to America they wanted no part of this Church-State system and swung to the other extreme. This background study provides some insight for our dislike for the word "tithe" and somewhat explains why our forefathers favored an unpaid clergy. Ministers traveled from community to community. They did some preaching, ate a little chicken, and moved on to the next community where they did some more preaching and ate some more chicken.

The time has come to abandon this old notion. Our age demands that we give more of ourselves and our possessions to our Lord. The Forward Program of Christian Stewardship is the best and most complete stewardship emphasis for larger churches. Growth in Christian Stewardship is a stewardship emphasis designed for churches with a membership of 300 or less.

The purpose of existence for the Tithe... Now! Committee is:

1. To give church leaders a bird's eye view of stewardship material availabl to help them develop scriptural stewards.
2. To explain and answer questions concerning the stewardship programs and t Cooperative Program.
3. To encourage leaders to recommend to their churches that they adopt a pla of stewardship emphasis that will challenge the whole person.

If the committee can be of service to you in either of these capacities, pleas feel free to call.

1. To the Shiloh and Ballard's Bridge Churches for their gracious hospitality extended to us during this session.

2. To the Moderator, Reverend Donald Wagner, and Clerk, Reverend Norman Harris, for their faithful and consecrated leadership; to the program committee, and each person taking part on the program in the work of the Association during the year.

Be it resolved that we urge our churches to give more tithes and offerings for world missions and that we lay it upon the hearts of our young people to see the need of missionaries at home and abroad, and that we cause every member of our churches to realize that he or she is a missionary and that we should pray diligently for world missions during these crucial days.

# REPORT OF STANDING COMMITTEES

## HOME MISSIONS

Mrs. W. S. Brown

The changes occurring in the urbanization and industrialization of the nation, the population growth, the search for civil justice, and the increase of other social forces such as apathy, affluence, and immorality have dominated missions in the United States.

The agency's new administration, which assumed leadership on January 1, 1965, inherited the task of completing the program study. As a result of this study the Board faces the future with better defined programs, a more adequate staff, and with stronger resources.

The year was characterized by strong support for home missions by Southern Baptists through prayer, participation, and most visible in finances. The Cooperative Program provided $4,365,353 including the largest Advance Section in history, $911,753; and the Annie Armstrong Offering provided a record offering of $3,573,146. The Board allocated $50,000 for relief in hurricane-stricken Louisiana. (The agency expects to establish a permanent relief fund and ministry.)

The missionary force grew by 148 to a new high of 2,520. The imprisonment of missionaries, Herbert Caudill and David Fite and 51 Cuban Pastors brought concern for their safety and for the future of Baptists on the island.

The Agency looks expectantly toward greater accomplishments in winning to faith in Jesus Christ the people of our America.

## FOREIGN MISSIONS

Mrs. L. C. Briggs

The challenge for Southern Baptists is greater than ever. Dr. Baker Cauthen said, "God has brought us into a day of vast human needs. The task that is before God's servants in the closing decades of this century is unlike anything every known before. May God give us wisdom, faith, courage, and a high sense of daring to undertake those measures which God will lay upon our hearts."

In 1965 there were 2,070 missionaries under appointment by the Foreign Mission Board serving in 61 countries. The 220 new missionaries for 1965 included 156 appointees, 14 associates, 46 journeymen and 4 special project nurses. The major reason for the increase over 1964 was the journeyman program adopted in 1965 as a part of its new advance thrust. These journeymen have two years of service.

The new countries that we entered were Austria and Libya. Preparations are being made for work in the Ivory Coast, Ankra, Turkey, Morocco, Iran, Bermuda and South West Africa. Plans were developed for medical work in Yemen and Bangalore, India.

It is hoped that 250 missionaries may be appointed in 1966 and the goal is still 5,000 missionaries. The need is great on all fields for doctors and nurses. Special stress has been laid upon evangelism.

In 1965 the Foreign Mission Board received a total of $11,123,505.42 through the Cooperative Program. The Lottie Moon Offering was $11,858,290.12. With the designated and world relief funds the total receipts were $24,983,924.53.

A $2 million increase is needed by the Foreign Mission Board to provide for the appointment of new missionaries and made minimum provision for strengthening work on the fields. May God richly bless us as we lay hands to the great task before us.

## BAPTIST CHILDREN'S HOMES

Mrs. W. J. Privott

Under the impact of Christ, North Carolina Baptists, eighty-one years ago launched a Christian ministry of child care. Sons and daughters of the Children's Homes are scattered throughout the world actively engaged in all walks of life and making a significant contribution to the uplift of mankind.

As we continue to build upon foundations already laid, special attention is being given certain areas of child care: Group care, working with emotionally disturbed children (at Greer Home in Chapel Hill), and the demonstration Child Development Program for pre-school children. Constant attention is being given to more effective ways of meeting the highly specialized needs of children coming out of broken and inadequate home situations.

We have a large number of good Christian homes for the care of foster children. More are needed in all sections of the state. Foster homes serve children of all ages and are of particular advantage for some who have special needs. Foster home parents may be of varying ages and circumstances in life. Couples with or without children of their own who have an abundance of love find this to be a challenging and rewarding opportunity of Christian service.

Sincere appreciation is expressed to all who have, in any way, helped to support our child care ministry. We are indeed grateful for increasing income, through: the Cooperative Program, Thanksgiving Offering (approaching $315,000.00), special gifts and designations such as the Once-a-month offering, and estate planning and the making of Christian wills (Roger Williams is devoting full-time to this area and will count it a privilege to assist you in exploring this field of Christian stewardship.)

We covenant with you to face the future as we have the past: to offer Christian nurture to distressed children in the name of the Lord Jesus Christ.

## BAPTIST HOSPITAL

W. A. Hoggard

Our Baptist Hospital and Medical School are a center of healing for body, mind and spirit, a center of training of medical personnel and Christian workers and a center of scientific research for the advancement of medical care.

Without a vast amount of medical research, there would be no heart surgery today by which lives are saved in our Baptist Hospital almost every week; and the same would be true of almost every new method of treating us when we are sick. Without schools for the training of doctors, nurses, technicians and others, there soon would be no skilled persons in our hospitals or in our communities to care for us when illness comes. Without a staff of highly trained and experienced specialists and a vast amount of expensive specialized equipment, our Baptist Hospital could not offer the highly skilled medical care which is available to us when serious illness strikes and a fine medical center is needed. Another very important fact is that the skilled medical care of our Hospital is made available to people who need it and cannot pay for it. These important services are the work of our Medical Center in Winston-Salem.

The kind of medical care provided by our Hospital is very expensive, and the Hospital has no choice but to ask full payment of all who can pay. The Hospital has been spending in free care for our people far more than it receives from our Mother's Day Offerings, the Cooperative Program, and all welfare agencies combined. This has caused the Hospital to run into debt the past two years and the same has been happening this year. Of course, the Hospital simply cannot continue to operate this way. Medicare is not going to change the situation greatly. Our people need to understand this and to recognize that we are going to have to provide much greater support if the Hospital is to continue to provide free service in the same measure for those who cannot pay for it.

While some of our churches support the Hospital well indeed, most of them could do far more than they have been doing. We want you to go back to your church and lead the people to give serious consideration to the Hospital's vital ministry and its urgent need.

## ANNUITY BOARD

C. Aubrey McLellan

The Southern Baptist Protection Plan provides benefits for age, disability and widow. Cost for the protection is based on the minister's salary, and is 10 percent of any amount up to $4,000.00 a year. The minister's church is encouraged to pay the total cost. In some cases the minister and church share the cost. The maximum amount a church can pay in the basic plan is $400 a year if its minister is under 60 years of age.

The Health Benefit is an all inclusive program of hospital, surgical and major medical benefits. Enrollment is open on a semi-annual basis. The next enrollment will be open early in the fall with the deadline on November 30, 1966.

In 1965, almost $4 million was paid in age retirement, disability or widow benefits to annuitants through the Annuity Board's protection program. The annuitant's checks vary in amounts, depending on the length of time each was a member and the amount of dues he paid.

Today more than 16,660 churches are providing protection through the Protection Program for their ministers. Approximately 10,764 of these churches are paying the 10 percent dues. There are 135 of the 176 educational institutions, hospitals, children's homes, homes for the aged and other convention agencies who have protection programs with the Annuity Board. There are seven states with 70 percent or more of the churches in the Protection Program for ministers.

Rev. Guy Cain promotes the Protection Program in North Carolina. He is jointly employed by the Annuity Board and North Carolina Baptist Convention.

## RELIGIOUS LITERATURE

Mrs. Elton Boswell

Since the invention of the printing press with movable type by Johann Gutenburg of Germany in the 1800's, writing and reading have come into vogue - writing made easier and reading materials more accessible. Today, so unlike that of centuries ago, religious literature has found its place among the greatest of literatures and has stood the test of time.

Why then do we find people seemingly less informed in religious matters than years ago? Are we ashamed to admit that we have read or to be seen by our friends reading religious subject matter?

We must realize that the time has come when we must learn where to place our values, for, as Thomas Fuller has said, "A book that is shut is but a block."

Our starting place, of course, is the Bible. Through the Life and Work Curriculum, which many churches are using this fall, we find our Bible studies in Sunday School, Training Union, Brotherhood, WMU and Music Ministry being closely correlated which will give us a better interpretation and understanding of our Bible.

Our challenge here is not only to open up these books which can give us spiritual guidance, but equally as important, we have a responsibility to the youth of our communities to guide and direct them; to give them inspiration in helping to mold characters and strengthen moral conduct. We must realize that each is an individual with different and special needs and abilities.

Finally, through religious literature we may encourage people to use these objectives which we have instilled to guide them daily in everyday living socially, intellectually and spiritually.

The Lord's Prayer
Our Father which art in
eaven, hallowed be thy name
y kingdom come. Thy will
one in earth, as it is in
n. Give us this day our
bread. And forgive us
our debts, as we forgive
our debtors. And lead us not
into temptation, but deliver
us from evil. For thine is the
kingdom, and the power, and
the glory, forever. Amen.

# CONSTITUTION
# RULES OF ORDER

(Adopted October 23, 1963)

## ARTICLE I - NAME

The name of this body shall be the Chowan Baptist Association of North Carolina.

## ARTICLE II - PURPOSE

We join our local churches in the framework of this Association:

1. To give concrete and meaningful expression in the Christian Fellowship we share in Jesus Christ.

   Baptists have long maintained the local autonomy of each Baptist church. Such emphasis has effectively restrained the growth of any ecclesiastical hierarchy within the Baptist denomination. It has also carried the inherent danger that the local church may forget the "Universal Body of Christ" with its "one Lord, one faith, one baptism," and the fellowship which all Christians share one with the other. We join ourselves together in the belief that those members of Christ's church who call themselves Baptists can effectively give expression to Christian Fellowship with churches of their own denomination and hope for an effective expression of Christian Fellowship across denominational lines.
2. To increase the effectiveness of our individual churches in their outreach in and through Jesus Christ in the tasks of missions, evangelism, and education.

   The Association formed by our churches increases the effectiveness of each of the participating individual churches:
   a. By serving as a vital link of communication between the local church and the Baptist State Convention and the Southern Baptist Convention.
   b. By providing a broader basis of resources -- both financial and personal -- on which all of our sister churches may call when they find themselves in need of and unable to provide such assistance for themselves.
   c. By providing a framework in which the interested "leaders" of each local church can receive guidance and training which will facilitate their own ability to give guidance and training to the local church of which they are a part.
   d. By providing a channel through which the world-wide mission of the Christian Church may be strengthened and meaningfully supported.
   e. By serving as a "sounding board" where the individual churches can share their thoughts, problems, and questions with their fellow churches, and gain insight and guidance in the mutual exchange.
   f. By providing an instrument through which each local church can share in and add strength to the efforts of all Christians to meet the expanding needs for effective local missions and evangelism.
   g. By providing an instrument through which the vision and resources of our individual churches can be mobilized for an all-out effort to enlist the

people of our area in a meaningful program of Christian recreation, education, and service.

## REPORT OF MISSIONS ADVISORY COMMITTEE

1967

The Missions Advisory Committee of the Chowan Baptist Association has held regular meetings during the past year. There were many routine matters of business that were taken care of during these meetings and there are several that deserve our attention in this annual report to the Association.

1. It is the duty of the Missions Advisory Committee to supervise the work of the Associational Office; our committee has sought to work with Mrs. Paulette Lane, our secretary, to carry on the promotional work of our association; that is, the editing of the Chowan Baptist Bulletin, getting out notices of meetings, and sharing information in the offices with churches. We are deeply grateful to Mrs. Lane and her faithfulness in her work for our association.

2. We have spent much of our time and attention this year working with the program of the Kitty Hawk Baptist Chapel. Rev. Joe W. Costner, retired minister from Rutherfordton, N.C., was employed as the summer worker at the Chapel. Under his very capable leadership, the Chapel had one of its best summer's work since the Chapel Program was begun. In the fourteen services at the Chapel this summer over 55 were present each Sunday; the offerings amounted to over $500.00 for the summer. Plans are already underway for next summer's program at the Chapel.

3. Plans are still being made for our Association to engage in a School of Missions in the year 1969.

Your Missions Advisory Committee would like to take this opportunity to thank the churches of the Chowan Association for their help and interests during this past year. It has been a year in which we have tried to accept our responsibility and see the challenge before us as we went about our work. When we look about us we can see that we have hardly begun to scratch the surface in the area of missions in our part of the state. There is much work yet to be done and now is the time for renewed dedication and sacrifice as we look to the future. It is the prayer of your Missions Advisory Committee that we might be dedicated to God as we work together to accomplish His will in our lives and in our Association in the days ahead.

Respectfully submitted,
W.C. Harrell

## CAMP COUNCIL REPORT

The progress at Camp Cale since the last Associational Meeting is most gratifying. At that time we reported one permanent building on the camp site, a storage building. During this past year the Kitchen-Dining hall-Recreation Building was completed in time for summer camping. This building was built according to plans you had in hand at the Associational meeting last January. I could not begin to tell you how much this building is appreciated. It has proven extremely useful and adequate in size, and the structure is in keeping with the setting. Actually seeing is believing in this instance.

The WMU women have responded to the needs in a marvelous way. They gave money to purchase a service of china and silver to serve 125 persons. Also pots, pans and many other essential items for the kitchen. Our women still have Camp Cale needs at heart, for last week Perquimans County WMU gave a check for $100.00 to be used as needed there.

The churches have responded well in contributing through Bible School Offerings for the Camp. The Camp Council is most grateful for this interest and these contributions. The Hertford Baptist Church gave 50 chairs and I guess we would have had to use stumps for seats had it not been for this contribution.

There were 200 Junior GA's, 25 Intermediate GA's and 15 Sunbeams to attend Day Camp, making a total of 340 boys and girls. A rainy summer cut into the program somewhat. I'd like to give you a quick run-down of the activities there since Day Camping. Ten RA boys from Beulah spent 2 days in August. Macedonia Training Union had 8 to attend a cook-out and 12 RA's from Macedonia attended a cook-out in September. Hobbsville GA's held a manual study and retreat with 16 present on October 7. The Associational Prayer Retreat was held at the camp with 82 women present. They had a covered dish supper so there was plenty of food to make up for the lack of chairs. The service of china was put to good use on this occasion.

The Camp at Chowan College was directed by Rev. B. T. Tucker and many favorable reports have come in from this week. There were 108 campers and 22 staffers for a total of 130 in attendance.

Mrs. Thomas O. Asbell, Chairman
Camp Council

26. The host pastor, R.N. Carroll, made announcements concerning the serving of the noon meal.

27. The congregation sang the hymn, "Jesus Shall Reign, Where'er the Sun."

28. Bill Presley asked the congregation to join him in the reading of scripture from the hymnbook on "Spiritual Alertness" and he then led in prayer.

29. Mrs. Bruce Jones, soloist from the Edenton Baptist Church, brought the special music.

30. Reverend George Cooke brought an inspiring message entitled "An Awakening Revelation" taken from 1 Peter 5:6-11.

31. After the benediction the messengers and guests recessed for lunch.

## TUESDAY AFTERNOON SESSION

32. The Tuesday afternoon session began with the singing of the hymn "God, Our Father, We Adore Thee."

33. Virgil Wilson read scripture from Galatians 6:1-10 and led in prayer.

34. Dr. Henry Turlington brought further Bible studies from the book of Mark.

35. The moderator then presented the following proposed change in the constitution to be voted on in Wednesday's session: Article VII - Executive Committee, Section 1., delete "nominated by the church" and add "nominated by the Associational Committee on Nominations."

36. Charles Wellons made a motion that, (1) in the program of the Annual Associational Meeting, beginning in 1968, that we have two Associational sermons, delivered by two pastors of the churches in the Association. One of these sermons

will be preached on the first day of the Associational Meeting and the second sermon on the following day. (2) That Section 3, Subsection b of the rules of Order be amended to read as follows: "Committee on Place and Preacher. This committee shall make recommendations concerning the churches or church where the next annual meeting of the Association shall be held, and shall name the preachers and alternates for the Annual Associational sermons.

Jim Davenport seconded the motion which carried.

37. Jesse Mansfield made a motion that the trustees be instructed to apply $3,500.00 left in balance from the 1966-67 budget, to debt retirement on the kitchen at Camp Cale to be paid to Peoples Bank and Trust Company. Mr. E.R. Woodard seconded the motion which carried.

38. R.N. Carroll brought the report from the Associational Nominating Committee. He moved the adoption of the report and R.W. Kicklighter seconded the motion which carried. This report is incorporated in the Associational Directory at the front of these minutes.

39. The moderator welcomed State Convention personnel.

40. Special music was brought by the Edenton Baptist Church choir.

41. R.W. Kicklighter introduced Roger Williams who spoke on "North Carolina Baptists."

42. The afternoon session was closed with prayer led by Reverend Rufus Corbitt.

### WEDNESDAY MORNING SESSION

43. The Wednesday morning session was called to order by the Moderator.

44. Duard Murphy led the congregation in the singing of "He Leadeth Me, O Blessed Thought."

45. Reverend John Sykes, Sr. led in scripture reading and prayer.

46. The Moderator gave an address of welcome after which came the registration of those not registered on the previous day.

47. The Moderator welcomed visitors at this time and recognized Dr. W.K. McGee from the North Carolina Baptist Hospital.

48. Dr. Henry Turlington continued to bring Bible studies from the book of Mark.

49. R.W. Kicklighter moved that the proposed change in the constitution be accepted. (See item 35 above). R.N. Carroll seconded the motion which carried.

50. The congregation sang the hymn "He Keeps Me Singing."

51. The Cooperative Program Advance Committee report was brought by Meredith Garrett who moved the adoption of this report. George Cooke seconded the motion which carried.

## COOPERATIVE PROGRAM ADVANCE COMMITTEE REPORT

Despite the fact that Southern Baptists have been sharing the gospel through the Cooperative Program since 1925 many do not know what this plan is. The question -- What is the Cooperative Program? -- is often heard.

The answer is simple. What the budget is to the local church the Cooperative Program is to the denomination. It is support for all missionary causes at home and abroad -- it's preaching the gospel -- it's healing in the name of Jesus through hospitals and clinics everywhere -- it is teaching and training Christian leaders for all the great tasks of Kingdom endeavor.

As our people worship with tithes and offerings Sunday by Sunday and as the local church channels a part of its income through the Cooperative Program we enter into partnership with God and one another in obedience to the command, "Go.... teach... preach... !"

Because we believe that stewardship is a vital part of Christian growth, two stewardship workshops were planned in our association for local churches. The first one was held at Providence Baptist Church on Feb. 13th with thirty-five people present, representing ten churches. The second workshop was held at Center Hill on Feb. 14th with fifty-nine people present, representing twelve churches.

Your Cooperative Program Advance Committee promoted a stewardship development seminar for the pastors of our association. We met at the Edenton Restaurant on April 21st. Twelve of the pastors of our association attended the seminar that was conducted by the Stewardship Division of our State Convention.

Let us resolve to pray earnestly for all Kingdom work and support our prayers with sacrifical giving of self and substance.

Respectfully submitted,
Bill Leary
Chm. of Cooperative
Program Advance Committee

52. Mrs. J.L. Chestnutt brought the W.M.U. Report and moved the adoption of this report. Virgil Wilson seconded the motion which carried.

## WOMAN'S MISSIONARY UNION REPORT

"But grow in grace, and in the knowledge of our Lord and Saviour Jesus Christ" (2 Peter 3:18) implies continued growth. The Christian life is a developing life. The life of a W.M.U. Christian woman can grow outward and upward. "Together with God we work."

On October 19 I attended the Annual Associational Meeting at Ballard's Bridge.

February 18 the Associational Y. W. A. Banquet was held at Rocky Hock Baptist Church with approximately 200 in attendance, Mrs. Ralph Harrell being the speaker.

April 18 the associational W. M. U. met at Ballard's Bridge.

May 5 was the date for the Intermediate GA Gathering at Edenton Baptist Church with 180 present.

On May 12 the GA Junior Gathering was held at Eureka Baptist Church with 285 present. Gates county, Perquimans county and Chowan county W. M. U.'s met in the month of May and was well attended.

Six (6) officers of the associational W. M. U. attended the State Workshop in Wilson on August 25.

Mrs. Cecil Basnight and I spent a week at Ridgecrest attending the W. M. U. conference. We would like to thank the W. M. U. and the association for sending us.

September 12 a workshop for all officers and chairmen of the W. M. U. was held at Corinth Baptist Church. One afternoon and one night session. 146 members were present. Mrs. Roy Peterson, Rocky Mount, a past associational president, Mrs. Cecil Basnight, Mrs. Walter A. Ward, Mrs. Walter Harrell, Mrs. Frank Barnes, Mrs. Frank Bray, Mrs. J. T. Biggers, Mrs. T. O. Asbell, Mrs. C. D. Swain were teachers for this workshop.

September 19 an associational Prayer Retreat was held at Camp Cale with 81 present. Mrs. Basnight was leader of this program. A covered dish lunch followed and was enjoyed by all. This was a most inspirational Prayer Retreat.

We have 42 GA organizations in the 52 churches where there is a W. M. U. The GA Day Camps at Camp Cale were most encouraging. 25 attended the Intermediate Day Camp and 200 attended the Junior Day Camp. World Friends Day Camp had 115 present, 78 World Friends, 16 workers, 21 visitors and 14 churches represented.

Last fall the Camp Cale Council called on the associational W. M. U. to help out in furnishing the dining hall and kitchen for Camp Cale. 35 churches responded with a total of $807.34. Paid out for dishes, etc. for dining hall and kitchen $623.63. We have service for 125. $339.00 was given for the Campsite Fund. We are looking forward some day soon to have everything we need for a camp for our young people as well as adults.

It is our earnest prayer that more members may be enlisted in 1967-68.

May we recognize the need for home missions. This is our challenge.

Mrs. J. L. Chestnutt
Associational W. M. U. President

53. Milton Dail brought the Brotherhood report and moved the adoption of this report. Robert Winston seconded the motion which carried.

## REPORT OF BROTHERHOOD

There are 16 churches in our association which have Brotherhoods, and 20 churches which have Royal Ambassadors. There are 365 Baptist Men and 348 Royal Ambassadors in our association.

The churches with the largest number of Baptist Men are; Blackwell Memorial, Rocky Hock, Elizabeth City- First and Berea. The Churches with the largest number of Royal Ambassadors are; Edenton, Rocky Hock, Ramoth Gilead, and Macedonia. There are 32 churches who do not have either R. A. or Brotherhood organizations.

The R. A. baseball league provided recreation and fellowship for both men and boys during the past summer, with R. A.'s from 7 churches participating.

There is a large amount of work that needs to be done with our Baptist Men and boys. To the churches that have brotherhoods we can do more than we are doing. To the churches that do not have Brotherhood organizations we urge you to give serious consideration toward organizing one.

54. David Harris brought the Sunday School report and moved the adoption of this report. Glenn Greenway seconded the motion which carried.

## ANNUAL REPORT OF THE ASSOCIATIONAL SUNDAY SCHOOL SUPERINTENDENT

In many respects this was a most gratifying and productive year in our Sunday School work on the associational level.

In the Fall we organized and planned an Associational Church Growth Plan Age Group Leadership Conference for Sunday School officers and teachers. As leaders we used the associational age group officers. It was held November 21, 1966, at First Church, Elizabeth City, with 163 people in attendance, including 19 General Superintendents, 17 Pastors, and 1 Minister of Education. 28 churches were represented.

We next concentrated our efforts toward the Associational Director-led Sunday School Enlargement Campaign, held March 11-16, 1967. We arranged for two Preparation meetings, January 23rd at Edenton, and January 24th at Blackwell Memorial in Elizabeth City, under the direction of Paul Kesterson, State Sunday School secretary for Associational Sunday School work. The campaign itself began on the 11th of March with a Kick-off Dinner at the Edenton Restaurant, at which time participating churches pastors and general superintendents met their directors for the campaign. The directors, all skilled in Sunday School work, were enlisted from the states of North Carolina, South Carolina, and Virginia. We also planned two general conferences during the campaign, on the 14th at First Church, Elizabeth

City, and the 16th at Ballard's Bridge. 15 of our churches participated in the campaign. They reported combined enrollments in their Sunday Schools of 3,830, with a total of 2,233 prospects uncovered during the census each participating church was required to take, giving total possibilities of 6,063 people. 25 new departments were recommended, 21 new classes, and 81 new workers.

Our final effort for the year was the planning of two area Vacation Bible School Clinics, using State-approved workers to lead the training. These were held April 11th at 1st Church, Elizabeth City, and April 12th at Macedonia. A total of 47 churches were represented at these clinics, with 239 in attendance, including 18 pastors and 3 Ministers of Education.

Possibilities for the coming year include conferences for the training of General Superintendents, area Age-Group Training conferences, and of course, our annual Vacation Bible School Clinic.

I wish to call your attention to the new Sunday School Achievement Guide. If you have not received a copy, write to the State Sunday School Department for one.

My gratitude to all of you who gave such splendid support to Associational Sunday School work this past year, and especially to Mr. Ray B. W. Morgan, Minister of Education at First Church, Elizabeth City, for his invaluable aid and counsel.

## REPORT OF TRAINING UNION

During the past year your Training Union has conducted four Associational programs in the Association and District:

On Monday evening, December 5, 1966 the Annual Associational M-Night Program was conducted at the Hertford Baptist Church. There were 300 present, representing 17 churches and 14 pastors. The Center Hill Church had the largest number present winning the banner. The Woodville Church presented a skit entitled "What Went Wrong?"; the Berea Chancel Choir presented the special music and Missionary Ralph Harrell brought the message of the evening.

## REPORT OF STANDING COMMITTEES

## HOMES FOR THE AGING

Reverend Maylon Kearney

North Carolina Baptist Homes for the Aging have been on the move during the past year. There will be a new home at Yanceyville which will be opened in September. This home can receive 30 more of our senior citizens. When this home is opened, it will be the fifth that is occupied. There will be a total of 200 deserving older men and women in the care of our Homes.

We now have four Homes and an infirmary in operation. Resthaven and the Hayes Home in Winston-Salem; the Albemarle Home at Albemarle; the Hamilton Home at Hamilton.

Each of us has an eternal investment in these homes and the people who live in them. They are financially needy persons. There are two sources of income from the churches which are vital in the support of our residents, the Special Day Offering, received on the third Sunday in February each year, and a share in the Cooperative Program. They are also helped by the love gifts of concerned Baptists.

The Special Day Offering for 1967 was an all time high and has increased by 10% over last year. This is most commendable, but we must face the reality of costs, which advanced by 20% and the maintenance of a new home and the care of 30 additional residents at Yanceyville, we could face a crisis during the coming year unless the gifts from our Baptist people continue to increase in proportion to our needs. Our Homes for the Aging cannot exist without our love, prayers, concern, and financial support.

## BAPTIST CHILDREN'S HOMES

T. L. McDaniels

The purpose of our Baptist Children's Homes is to provide Christian care for our children and young people. Here they are accepted as individuals and given room to grow and develop. There is concern for each child's needs both present and future.

All the needs of the children of our state are not being met. The applications for admission of children to the homes far exceed the resources with which to care for them. Then, too, the areas of unmet needs are many. The retarded and the slow learners need our help. The children with special problems, including the pre-delinquent, delinquent and first-offenders should be of great concern to Christians.

It is the aim of our homes to help each child through high school. Those who desire to go to college are encouraged and helped through existing scholarship funds, loans, and work grants. Here is an area of great need.

Deep appreciation is expressed to those in charge of our child care program, and to those who make such a program possible. The Co-operative Program provided 36% of the total income for child care last year. The Thanksgiving offering, special offerings, and individual donations accounted for the remainder. There was no indebtedness since it is the policy of the homes to operate with the funds provided.

Greater financial support from the churches is vital to keep the program going and to spread out to the unmet needs. An informed and enlightened public could do much toward solving the problems of the children of N. C. What better way to inform oneself than through Charity and Children? Imagine the joy and satisfaction a couple could gain by sponsoring a child! Let's support our Children's Homes prayerfully and materially.

## HOME MISSION REPORT

Mrs. Lawrence H. Johnson

The more than 2,400 missionaries in all fifty states, Cuba, Panama and Puerto Rico are sharing Christ with many special groups, including military personnel, migrant workers, the French speaking people in Louisiana, Jews, and many others. One of the Home Mission Board's most recent projects has been an accelerated witness to an exploding and shifting population in the U. S. Projects are planned which will develop a ministry to those who live in High-Rise apartments in many metropolitan areas.

Home Missions begins when we enter the doors of our churches and worship. It goes from here down every highway and hedge, over every mountain, vale, and plain in our country. As the flower grows toward the sun, so we grow in the direction we look! I pray that we might look unto the Home Missions fields for they are already white unto harvest. May God burden our hearts and stir us so that we may feed the spiritually hungry, and minister to the stranger in our midst. "Whom shall I send and who will go for us?" Isaiah 6:8

## BAPTIST HOSPITAL REPORT

Reverend Sidney Oxendine

In this day of rapid change in almost every area of our lives, there are few places in which change has been more rapid than in the field of medicine. In the last twenty-five years we have witnessed in medical care a transformation as dramatic as in almost any other area of life.

This period parellels the period of development of our Baptist Medical Center in Winston-Salem. This began in 1941, when our Baptist Hospital and our Baptist Medical School were joined to form the first and only such combination. Today it stands as one of the very fine medical centers of our country, reflecting the vast progress which has come in the field of medical care. All indications are that this progress will continue at an ever growing rate.

There are new means of diagnosing our ills, such as the brain scan and the use of sound waves. New drugs are being developed almost daily for combating disease, including antibiotics and new chemicals. There are new techniques in treating our ills, as in heart surgery, inhalation therapy, and replacing of organs of the body. There are new instruments to perform these miracles, as the cobalt machine, the heart-lung pump, the pacemaker for the heart, the laser beam in surgery.

There has developed a new concept in medicine in recognizing the patient as a person, and not just as a virus or a broken bone. He is now treated as a whole person, including his emotional and spiritual needs as well as his physical problems.

Such important progress necessarily means greatly increased cost in medical care. This is a wonderful opportunity when we by simply giving our money can share in so important a service to our brother in need - and even hear a "Well done", for "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

## RELIGIOUS LITERATURE

Mrs. Edward Goodwin

One may obtain knowledge today in varied and numerous ways. The results of reading are spiritual and intellectual growth, as well as developing ones self. We need to read in order to be informed!

Although the Bible is considered one of the best sellers as well as quality literature, it is not read and studied for the truth that is available within its sacred pages. The spiritual preparation for assuming responsibilities is to "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth". 2 Timothy 2:15

With a mass of religious literature available there is no real excuse for being shadowed by the darkness of ignorance and sin. Our BIBLICAL RECORDER, with its information concerning many phases of our work as a State Convention, is constantly seeking and performing a significant service for Baptists of North Carolina. Consider just one thing the Recorder did this year. A number of daily newspapers credited it with being a major factor in the defeat of a liquor-by-the-drink bill. If this bill recurs in the 1969 General Assembly, the Recorder will keep us posted and urge us to act. The Recorder simply belongs in the North Carolina Baptist life.

Mission books in our organizations, Sunday School and Training Union quarterlies, HOME LIFE and many other periodicals are quality promotional features in the life of churches and homes.

Young people need to be confronted with the very best reading matter and challenged into spiritual insights through the printed pages of Christian literature. The intensity of the many attacks of evil being aimed at everyone, especially the youth of the world, through the press, is a very definite reason why we should be awakened to providing and encouraging the best in reading - sorting out the trivial literature from the vital.

## ANNUITY BOARD

Reverend Gerald L. Rhyne

Response to the new program of family and retirement protection during the first quarter of 1967 indicates enthusiastic acceptance by ministers and denominational employees. During the first three months of 1967, more than 1,000 persons joined some part of the three-plan program as compared with only 685 during the first quarter of 1966.

The new program, called the Southern Baptist Protection Program, provides additional benefits for disability, new benefits for children, education of children and dependent parent. These extra benefits are in plan "A".

The new Protection Program incorporates the three plans into one certificate, which formerly required separate certificates for each plan. The three plans are: Southern Baptist Protection Plan, which is now Plan "A"; Age Security Plan, now called Plan "B"; and Variable Benefit Plan, now Plan "C".

As of December 31, 1966, some 1,492 persons had joined Plan "A" of the Program. A total of 18,328 churches were providing the Protection Program for their ministers and staff members. Almost 12,600 of these churches were paying both member and church dues.

The cost of living continues to climb. A retirement Program based on $4,000 salary is no longer adequate to meet the needs of a minister when he retires. There seems to be no hope of a leveling off of the inflationary trends. Because of this, the new Protection Program was started so churches could help their pastors increase their retirement protection. Now a church may participate on the total salary of its pastor or other employees. Ten per cent dues on total salary are recommended as a minimum.

For information about any of the plans in the protection program contact Rev. Guy Cain, 301 Hillsboro Street, Raleigh, N. C. 27603, or write the Annuity Board, 511 North Akard Building, Dallas, Texas 75201

## CHRISTIAN EDUCATION

LeRoy J. Dare

This has been a big year for Christian higher education in North Carolina. The seven Baptist colleges have continued to enroll more than 11,000 students. This number would have been larger if the institutions had not been limited in instructional and housing facilities.

Two veteran presidents retired. Dr. Leslie H. Campbell of Campbell College and Dr. Harold W. Tribble of Wake Forest University. After 135 years of faithful service to North Carolina and the nation, the state's largest Baptist senior college added university to its name. For some years the college has been carrying out he functions of a university. In the months and years ahead additional courses f study besides law and medicine will become available, leading to the master's nd doctor's degrees.

A matter of growing concern registered by convention leaders and educators s the decline in the number of young people preparing for church-related vocations. astors and lay leaders are urged to encourage young people to consider this means f serving their Lord. Our Baptist colleges stand ready to provide the necessary raining.

Higher education is expensive. If North Carolina Baptists are going to continue o enjoy outstanding Christian education, they must increase their giving through e Cooperative Program and Christian Education Day. The challenge is great.

The needs are immediate.

An up-coming event of interest will be the report of the Baptist Education Study Task. A convention-wide study has been made dealing with nine major areas of concern in higher education. During the spring of 1968 seminars will be conducted on the seven North Carolina campuses. Pastors and laymen are urged to attend and then share with their churches in Sunday evening studies the results of the BEST finds.

## EVANGELISM REPORT

Dick Brewer

The committee on Evangelism held one meeting during the past year. It was decided at this meeting to have a Layman's Rally on March 10, 1967 at the Hertford Baptist Church.

One-hundred and fifty laymen and ministers attended this evangelistic meeting with the laymen having charge of the entire program.

We feel that this program was of help to the laymen of our association.

## THE AUXILIARY MEETINGS

## REPORT ON WOMAN'S MISSIONARY UNION

April - 1967

The Chowan Associational W. M. U. convened for its sixty-second annual session, Tuesday, April 18, at 10 o'clock a.m. in the Ballards Bridge Baptist Church with Mrs. J. L. Chestnut presiding. The theme for the day was "Laborers Together With God."

The meeting opened with singing the hymn "O Master Let Me Walk With Thee." The Invocation was given by Reverend Norman Harris, Pastor of Hertford Baptist Church.

Mrs. J. P. Mercer led the meditation using Matthew 9, 35-38 and First Corinthians 3, 9-11.

Mrs. T. O. Asbell brought welcome and announcements.

Mrs. Paulette Lane, associational secretary, was recognized for "Associational News". She announced that the construction on Camp Cale's kitchen and dining hall had begun, and it would be open for the summer. A life guard and utility man will be there for summer camping. She stated $136.00 had been donated for Camp Cale from some of the churches in the Association. She encouraged everybody to go back to their churches and encourage them to rush money for this project as soon as possible. She spoke on Sunday School enlargement campaigns, stating that there were 2,215 prospects. She asked that we pray and witness that these prospects might be reached, and might join with us in Christ's work.

Mrs. Chestnut recognized the visitors, the pastors, and all past Associational presidents.

The following Courtesy Committee was appointed:

Mrs. A. C. Griffin
Mrs. J. A. Wiggins
Mrs. Beulah Morgan

The President asked the secretary to read a recommendation from the Executive Board as follows: That the offering taken at this annual meeting be given to the Camp Cale Kitchen Fund. This was so moved and carried.

A hymn "Amazing Grace" was sung. The offering amounted to $108.98.

Mrs. Billy Presley sang a solo entitled "I Walk With God."

Mrs. C. W. Overman introduced the speaker, Mrs. Jerold Palmer, missionary to Nigeria. She spoke on serving the Lord in Nigeria. She had many experiences, and times were very trying, but she never had such peace of mind before, because she knew she was doing the will of God. She told of how the men did sewing and many types of house work because they had the education. Moslem women were thought of as a piece of property. She told how delighted these people were to have them come and teach them about God. She spoke of God's love and the way he used people. She quoted the scripture, "Lo, I am with you always, even to the end." In closing she asked the question, Would we be willing for our child to go as a missionary and do the will of God?

Mrs. Royce Vickers spoke on the migrant workers, stating that the need was great. She asked that the W. M. U. women make stuffed toys or give anything they could to these people. Those having packages should please take them to Mrs. Vickers of Hertford, to the Chowan Baptist Association office in Edenton, or to the Blackwell Memorial Church in Elizabeth City.

Reverend George Cooke gave the Benediction and also the Blessing for lunch.

The afternoon session began at 1:15 p.m., with the singing of "More Like The Master". The scripture and prayer was given by Mrs. Meredith Garrett. Special music was given by Beulah Church and was entitled "Satisfied With Jesus".

Mrs. Cecil Basnight introduced the speaker for the afternoon, Mr. Jerold Palmer, Missionary to Nigeria. He used for his theme, Turning the World Upside Down, taking his scripture from the eleventh chapter of Acts. He spoke on the church at Antioch, how it became his church, and about teaching missionary work in Nigeria. He showed trinkets from Nigeria and told of many ways of doing things, and told about different types of languages. He closed with - God is not asleep, he's saying to us, "Climb the rope to Heaven."

18. The Auditor's report was read and adopted by the Association.

## ANNUAL AUDIT REPORT

This is to certify that I have audited the books of R.B. Hollowell, Treasurer of the Chowan Baptist Association covering the General Fund, Camp Cale Fund and Kitty Hawk Mission Fund for the associational year ended September 30, 1968, and find the same correct as stated in the above reports of the various funds. I wish to take this opportunity to commend Brother Hollowell for a big job well done.

Respectfully submitted,
J.A. Curran

19. Mrs. T.O Asbell brought the Camp Council Report which was approved by the Association.

## CAMP COUNCIL

The Camp Cale Committee takes great pleasure in reporting to the Chowan Association the activities of the past year on the Camp site.

We started plans for our summer program early in the year. Therefore, we were fortunate to secure a seminary student and his wife, Emmerson and June Elliott to direct the summer work. We thank Dr. Hendrix at South Eastern Seminary, Wake Forest, for his assistance in helping to secure this fine couple. Mr. and Mrs. Elliott came to see the camp site, before making a commitment to accept the work.

Emmerson directed the summer program and was the life guard. June, his wife, prepared breakfast and had charge of the Crafts. They both did an excellent job. We believe that they enjoyed their work since they asked if they might return next summer.

The kitchen staff couldn't have been better. Go down and see the A rating in the kitchen-dinning room given by the State Health Inspector. That speaks for itself.

There were 5 weeks of resident Camp beginning June 25-29 and ending August 6-10.

The Associational Prayer Retreat was held there again in June. It was such a rainy day but this did not dampen the spirits of the 35 women who attended.

There have been about 745 persons to enjoy the camp site during the summer thus far. There are two more groups scheduled to go down before it is closed for the winter. A group this week end and another the following week end.

The bath house was completed during the summer. This was built according to plans you had in your hands last year at the Associational Meeting.

An electric hand mixer has been given to add to the conveniences in the kitchen. A piano was given by the Ederlton Baptist Church. Just last week we purchased a "heat strip" to preserve the piano from dampness during the winter. This money was given by the Camp director and his wife (June & Emmerson) and so designated for such by them.

Our most urgent need now is for sleeping quarters. The hogans have served their purpose but have deteriorated with age. So from a small beginning with a small storage building - to a kitchen-dinning and recreation building and now our new bath house. We feel, as we are sure you realize, too, that cabins for sleeping quarters are greatly needed. We believe with these cabins we could soon be self-supporting and a great asset to the Chowan Association. I'd like to quote from a recent letter from the Albemarle Soil & Water Conservation group who used the camp site again this year for their demonstration. Quote - "Camp Cale is a real credit to the Chowan Baptist Association."

Certainly when you realize the interest shown by the church groups who have enjoyed the site during the year, you realize we are growing - reaching more boys & girls as well as the adults who appreciate God's nature & beauty.

We could not close this report without expressing our appreciation to the following: Rev. Bill Leary, who again Co-ordinated the summer program; Mr. Billie Jackson for overseeing the construction of the bath house; also to all those who helped in any way in enlarging the parking area; to the ministers and men who helped to clean up and get the camp site in readiness for the summer activities. Also to the ministers and all others who so graciously gave their time to serve as counselors for our boys and girls this summer.

Rev. Virgil Wilson directed the Camp at Chowan College, July 15-19. Mr. Wilson did an excellent job in every way. We are deeply grateful for all his efforts in making the camp a meaningful week to the boys and girls. There were 156 boys and girls to attend.

We express to Mr. Wilson and the Counselor - (some being drafted at the last minute) - and all other helpers at this camp our sincere appreciation. We are grateful to you for making this week the tremendous success at Chowan College.

Mrs. T.O. Asbell
Chr. Camp Council

II. CIRCUS TENT MINISTRY. The idea of the Circus Tent ministry was conceived in the mind of Rev. Hank Wilkinson, of Kitty Hawk. The idea was to provide a deluxe ice cream parlor in the Kill Devil Hills area. Since a circus has a universal appeal and captures the imagination of all ages, a circus motif is used throughout the project. The ice cream parlor is housed in a gay-colored circus tent with customary flags and pennants. Part of the interior area is used for tables and chairs. At the end of the tent is a small stage. About every half hour or so a Christian musical revue was presented by the "New Hermaneutics," a singing group selected by those who operate the circus tent. The songs used were mainly folk songs with a spiritual meaning. The main purpose of the Circus Tent is to provide a clean wholesome place for young people to go to; it also is intended to set forth a Christian witness through folk music, through Christian dialogue, and through a living witness of faith in Jesus Christ.

As far as we know, such a project as this has never been tried before - we knew there could be complications with such a project - but the results were tremendous, and the Missions Advisory Committee feels it has been very worthwhile for the Chowan Association to be involved in the Circus Tent Ministry. Consider the following facts in regard to the Circus Tent Ministry for 1968:

1. A total amount of 166 different persons were involved at one time or another during the summer's operation. This does not include ministers, the musical groups, nor tourists who worked one or more times. These include those who worked dipping ice cream, cleaning up, etc. All these workers were Methodist except for 1 Jew, 3 Roman Catholics, 4 Lutherans, 5 Episcopalians. No Baptists. Ministers who worked night shifts were 4 Methodist, 1 Baptist, 1 Episcopal, 1 Catholic. A minister was on duty the entire time the Circus Tent was in operation.

2. The New Hermaneutics, the musical group, were composed of 4 Methodist, 1 Presbyterian.

3. 144 people were involved in getting the project started, not including the ministers, the musical group, etc.

4. Donated materials and labor:

| | | Source |
|---:|---|---|
| $526.62 | Plywood, Roofing, Etc. | Episcopal |
| 390.00 | Concrete blocks | Methodist |
| 73.00 | Concrete | Non-church member |
| 730.00 | Clay for parking | Non-church member |
| 188.00 | Clay for parking | Non-church member |
| 164.00 | Clay and grading | Episcopal |
| 50.00 | Clay | Methodist |
| 112.10 | Supplies, paint, etc. | Episcopal |
| 50.00 | Plumbing | Methodist |
| 80.00 | Labor | Non-church member |
| 150.00 | Electric | Non-church member |
| 150.00 | Hired labor donated | Lutheran |
| 185.00 | Labor, block laying | Baptist |
| 20.00 | Sign | Non-church member |
| 74.00 | Can, brushes, tools | Methodist |
| 135.00 | Clothes | Methodist |

The above does not include value of labor for the large number of adults who made tables, painted, did labor for which they did not consider pay. These are retired persons, alcoholics, who were without work at the time, relatives and friends, members of Kiwanis Club and Jaycees.

5. Donated Cash Money:

| Source | Amount |
|---|---:|
| Methodist | $1,764.00 |
| Baptist | 552.00 |
| Episcopal | 98.90 |
| Pet Ice Cream | 100.00 |
| Unknown | 527.64 |
| Total | $3,042.54 |

Fund for New Testaments entirely by Baptists $115.00. Almost 500 were sold during the summer at the tent.

6. Property Values:

| | |
|---|---:|
| Land owned by Methodist Mission Board: | Approx. $12,000.00 |
| Tent | 1,600.00 |
| Building | 3,757.17 |
| Sound system, etc. | 338.00 |
| Total | $17,695.17 |
| project properties alone: | $5,695.17 |

7. $10,000.00 worth of ice cream was sold during the summer!

8. Close to a 1,000 people a day attended the circus tent.

III. MOVIES ON THE BEACH: This project is sponsored by the Dare County Ministerial Association. A screen was set up on the beach near the old Coast Guard Station. Movies such as The Parable, Time and Eternity, LSD, were shown four nights a week during part of the summer. The Chowan Association was involved in the project in that Rev. Joe Costner, Chapel pastor, helped in the showing of the film. Also the Baptist State Convention furnished one of the films for the summer. At times as many as 400 would attend these movies on the beach. It is estimated that close to 5,000 people attended the showing of these films during the summer.

IV. THE ASSOCIATIONAL OFFICE: It is the duty of the Missions Advisory Committee to supervise the work of the associational office. With the capable work of Mrs. Glenn Lane, our associational secretary, our supervising has been at a minimum. The Missions Advisory Committee express heartfelt thanks to Mrs. Lane for her dedication to the cause of Christ, and for the splendid job she does as our associational secretary.

21. Rev. Meredith Garrett presented the report of the Evangelism Committee which was approved by the Association.

## EVANGELISM COMMITTEE REPORT

The greatest responsibility of Baptists today is to proclaim the message of Christ clearly, positively, and under the empowerment of the Holy Spirit. The new life experienced in Christ must have an effect upon all of our motives, attitudes and actions through involvement in society. Evangelism is our first great responsibility, and the second is to follow our Lord Jesus Christ until the fruits of evangelism are the expressions of our daily lives.

To witness for God now and in the future, we must be diligent in searching the Scriptures, faithful in proclaiming the glorious gospel, and realistic in definite Godly application. This done, sincerely, day by day, across the weeks and months, will bring individuals and churches into a vital relationship with each other and God.

It is urgently important that every church in the Chowan Baptist Association be responsible for the opportunity of participating with other Baptists across the Western hemisphere in "The Crusade of the Americas." This is an all out prayerful concern for spiritual awakening to be experienced in the simultaneous revival meetings next spring. Messengers to this association are urged to return to their churches and lead them in a definite commitment to participate. Simultaneous Revivals for our area are scheduled for March 16-30, 1969. Churches should vote now to participate, secure the evangelist as soon as possible, pray, and plan to witness to every unchurched person in the local area. For additional details on the Crusade consult the GUIDE BOOK FOR BAPTIST OF NORTH CAROLINA which has been mailed to all organizational workers in the churches. Some of the churches in our Association have already voted to participate in the Crusade. As soon as others have voted, the Associational Chairman of Evangelism should be notified.

In realization of the importance of evangelism in Eastern North Carolina, the Evangelism Committee planned after much thought and prayer an Evangelism Conference, held on August 26, including afternoon and evening sessions. Outstanding dedicated men lead in the Conference. Total attendance was 196 with 22 churches represented. If the response of our Association to this meeting is any indication of the evaluation of the importance of evangelism, then the greatest need of our churches is to re-evaluate their only purpose for existing. We want to commend the churches who supported the Evangelism Conference by their attendance, and we want to urge that our churches encourage and support the future Associational Evangelism Conferences.

Let us not forget, "As I have been sent, so send I you." Let us return to our churches as disciples of Christ employing every feasible method of evangelism to expand our Lord's Kingdom.

Respectively submitted,
Jim Davenport
Meredith Garrett, Chrmn.

## WOMAN'S MISSIONARY UNION

Woman's Missionary Union is one of five church program organizations. Woman's Missionary Union is committed to helping a church fulfill Christ's purpose on earth.

We must pray for missions - we must give for the support of missions and we must witness through missions. Our watchword for the past year makes it very plain to us. In Matthew the 25th chapter we find these words; "Inasmuch as ye have done it unto one of the least of these ye have done it unto me."

I have had good reports from all Woman's Missionary Societies except three.

Each quarter the Executive Board met, made plans and discussed problems. Five bulletins were sent to each W.M.S. president. I attended the state W.M.U. Annual Meeting in March at Asheville. In April a Prayer Retreat was held at Camp Cale with Mrs. Cecil Basnight in charge of the program. In June another Prayer Retreat was held. Mrs. J.T. Biggers, prayer chairman, was in charge of the program. Both meetings were most inspiring. I attended the Y.W.A. Banquet at the Woodville Baptist Church where Miss Ernelle Brooks, returned missionary, gave a most interesting program after which I installed the new officers.

I feel that Camp Cale was a success this year and I hope the number of boys and girls attending will increase next year. The week before the camp was officially opened, day camps were held. The Intermediate GA's had one day and the Junior GA's two days with a total of 208 present.

The Sunbeams met one day with an attendance of 85. My husband and I were counselors in GA camp at Chowan College the week of July 15-19.

At our associational meeting Miss Hope Basnight was recognized as Queen-Regent-In-Service and presented a Bible from the W.M.U. Chowan Association.

In July a leadership course was taught at Center Hill and Berea Churches. We were fortunate in having Miss Kathryn Bullard from the state office to teach the manual. This course was for all W.M.U. leaders and directors. Mrs. Meredith Garrett led the Y.W.A.'s, Mrs. C.D. Swain, the G.A.'s and Mrs. Frank Bray the Sunbeams. 151 women attended this leadership course.

To the members of the Executive Board I thank you for your cooperation these past three years. It has been a pleasure and an inspiration to have served as your W.M.U. president. And thanks to our moderator whom I have enjoyed working with. May you give the same cooperation to our new president and the Executive Board. We have a challenge this next year in our change of program - may we meet it wholeheartedly.

Mrs. J.L. Chestnutt
Associational WMU Director

53. The Sunday School Report was presented by Rev. John Singletary and approved by the association. Rev. Singletary's motion that the Association send a note of condolence to Mrs. Claude White was also approved.

# SUNDAY SCHOOL REPORT

1967-1968

The Sunday Schools of the Chowan Baptist Association are dependent upon the many dedicated persons who serve as the staff and teachers on the local level. These should never be forgotten as they are the ones whom we count upon to bear the load of making the work of the Sunday School both successful and productive. This area of our church's involvement can be effective and evangelistic when we realize that in 1967 there were 11,621 persons on the rolls of our Sunday Schools in the Chowan Association. Compare this with the average weekly attendance of 6,318 and it is evident that we still have much to do even within the flock as well as in outreach.

A most successful Associational Vacation Bible School Clinic was held on April 10 1968 at the Blackwell Memorial Baptist Church in Elizabeth City. A State approved faculty was secured for this clinic through the cooperation of the State Sunday School Department in Raleigh. A total of 194 persons participated in the clinic and 34 churches were represented. A word of appreciation is due the staff of Blackwell Memorial as they were most cooperative and considerate in preparing for the clinic.

It is hoped that we will be able to have a training conference for Superintendents in the coming year. Also we look forward to the annual Vacation Bible School clinic for all of the churches.

In this year of the Crusade of the Americas, the Sunday School can and should be a means of encouragement, outreach and education that all of our people may be informed and involved in this great cooperative venture for our Lord.

Respectfully submitted,
John D. Singletary
Associational S.S. Supt.

54. Rev. George Cooke gave the report of the Training Union which was approved.

# TRAINING UNION REPORT

1968

From the September 1968 Newsletter of Dr. W. Perry Crouch we have these words about the Training Union:

"'CHANGE' has been perhaps the key word for Training Union during the past ten years! You have been hearing that Training Union should become the Training Ministry for the local church. In fact, the Training Union is the local church's agency for training and development.

To further implement this our department name is going to be changed. The southwide Training Union Department is already known as the Church Training Department. As of January 1, 1969, your state Training Union Department shall be known as the Church Training Department."

The basic purpose of the associational Training Union organization is to assist in establishing, enlarging and improving the Training Program in the individual churches, to the end that our people might better carry out the function of the church; namely, to worship, proclaim, educate and minister.

During the year the following associational meetings were held:

(1) Annual "M" night with Rocky Hock Baptist Church with over 700 in attendance.

(2) We had one Adult Bible Reader from Macedonia, two Intermediate Sword Drill participants from Shiloh and two Young People's Speakers from Shiloh in our Training Union Tournaments. Of these, one Intermediate and the two Young People entered competition in the Regional Tournaments.

(3) Annual Youth Night with Hertford Baptist Church with 125 in attendance.

Respectfully submitted,
George H. Cooke, Director
Associational Training Union

## TRUSTEES' REPORT

The Trustees of Chowan Baptist Association reports the following:

As authorized by the association last year (page 22 - 1967 minutes) the Trustees secured a loan from Peoples Bank in Edenton, N.C. in the amount of $1,000.00 on October 1, 1968. This loan was obtained on an open note, endorsed by individual Trustees, and does not presently involve any of our real estate.

There was no other activity on the part of your Trustees in their official capacity as such.

Respectfully,
E.R. Woodard, Chairman
Board of Trustees

## COOPERATIVE PROGRAM REPORT

What the budget is to the local church, the Cooperative Program is to the denomination. It is support for all missionary causes at home and abroad -- it's healing in the name of Jesus through hospitals and clinics everywhere -- it is teaching and training Christian leaders for all the great tasks of Kingdom endeavor.

As our people worship with tithes and offering Sunday by Sunday and as your church channels a worthy part of its income through the Cooperative Program, we enter into partnership with God and one another in obedience to the command, "Go . . . preach . . . teach!"

Let us resolve to pray earnestly for all Kingdom work through the Cooperative Program and support our prayers with sacrificial giving of self and substance. The Yates Association had 100% of their churches giving through the Cooperative Program during 1967.

A new Eight Day Stewardship Program will be available from the Stewardship Commission of the Southern Baptist Convention on April 1. It will suggest visitation of every family in the church by the Deacons, prayer by every church member and a Week-end Stewardship Revival. Many of the pilot churches have found this an effective way to increase giving and pledge the church's budget.

According to records available our association gave $64,870.00 during the last year for World Missions through the Cooperative Program.

## RECOMMENDATIONS

We recommend:

(1) That each church plan, vigorously promote, and subscribe a worthy budget.
(2) That each church have a special prayer for Cooperative Program causes during each church service in October.
(3) That each church give regularly, a worthy percentage of each offering plate dollar through the Cooperative Program.

## FOUNDATION REPORT FOR 1968

During the past year, The North Carolina Baptist Foundation, Inc. has made regular and systematic progress. More and more of our Baptist people are inquiring about the services of the Foundation and are following these inquiries with concrete evidence of their concern. Some have made direct monetary contributions through the Foundation for a particular agency or institution. Others, with the help of their lawyers, have made provisions in their wills that through the Foundation Christian causes have been remembered.

One of our major emphases has been in the area of will making. Our pastors, associational superintendents, and our church representatives have given encouraging help in this educational campaign. The response in each instance, whether in an association or individual church, has been most gratifying.

We solicit your prayers and your continuing cooperation. The Foundation remains ready to assist you in any phase of our endeavors. Please call on us if we can be of assistance to you.

## SOCIAL ACTION

The importance of the development of Christian morality among Chowan Association Baptists cannot be overemphasized. The proclamation of the Good News brings one to look at his fellowman as well as to his Creator. "To fail to undergird the witness for Christ in the great fields of missions and evangelism with an uncompromising witness at the point of Christian morality would be to reject the clear teachings of the Bible and to refuse to heed the commands of Christ."[1] Certainly we need to give increased emphasis on the relationship of the Christian faith to the practical areas of everyday life.

All of us as witnesses of current events in our community, state, nation and world can certainly testify to the crisis in the area of morality that exists. Many areas are forced upon our attention: the morality brought to us through the entertainment media, the disrespect for personhood as seen in the violence, crime and sexual abuse; the disintegrating home-life that one can see in the increased divorce rate, adult and juvenile delinquency; the rejection of human worth as seen in the slaughter on our highways of which much is attributed to drunken driving and overpowered automobiles; the presence of those in our midst who preach racial prejudice and ill will as though it were Christian justice and good will.

Our land has been described as a sick nation but this would be to presume that we can heal ourselves. We must confess that this is a sinful land and the wages of sin are always death. Thus we all must be gripped with Christ-like concern over anything and everything that warps human life or stunts God's intention for his creatures. May we affirm that we will "proclaim the Gospel of our Lord Christ with passionate conviction and crystaline clarity, so that with reasonable men it will be intellectually respectable, with consecrated men it will be socially responsible, and with God-fearing men it will be spiritually redemptive, for time and eternity."

## RELIEF AND ANNUITY

The Southern Baptist Protection Plan is one of the finest steps taken by concerned Southern Baptists to provide the necessities of life for those who have labored faithfully in the Lord's service and now have reached the golden years. With such a program available, almost one-half of the churches of this association do not participate in this protection plan.

I would ask concerned leaders and Christian men and women of the churches to look into the program of your church and see if the pastor you called to labor among you will be provided for when due to age or health he will be forced to retire. It is sad to say that if misfortune were to befall, many pastors and their families would face financial hardships.

The pastor cannot initiate this program, only concerned Christians in the church can provide this protection for those who serve. For Information or assistance in providing this program contact Reverend Guy Cain, Baptist Building, 301 Hillsboro Street, Raleigh, N.C. 27603.

## STATE MISSIONS

Christ gave us a task unlimited when he said "ye shall be witnesses unto me both in Judea, and in Samaria, and unto the uttermost part of the earth."

Because we recognize that missions must begin in the local situation, the North Carolina Convention supports a division of State Missions, with 17 ministries dedicated to taking Christ unto the uttermost parts. Our ministries include Church Development, interracial Cooperation, Fruitland Bible Institute, Ministry to the Deaf, Seminary Extension Program, Cherokee Ministry, Institutional Ministries, Special Summer Mission Work, Pastors Schools, Schools of Missions, Pastoral Aid, Church Lot Aid, Church Loans, Work with the Japanese.

As our churches contributes to the Cooperative Program then we are lending a helping hand to all these phases of State Missions. This and our special offering in September is the life-line to our State Missions program. It is OUR WITNESS in North Carolina from the seashore (Kitty Hawk) to the mountains (Fruitland).

Through the State Mission ministry our churches may help extend the reign of Christ until "the earth shall be full of knowledge of the Lord, as the waters cover the sea." (Isa. 11:9) If we are to keep pace with the challenges that confront us today then we must become better informed of the important work being done through State Missions and support them in a more sacrificial way with our Prayers and Offerings that Christ's cause in North Carolina may be extended throughout the land.

Every day in many ways State Missions are at work showing forth our LOVE and CONCERN to those who are lost and in need. Will you pray for a continuous harvest and that with God's help we may meet the challenge of the future in our State Mission work?

Mrs. Walter Ward

## FOREIGN MISSIONS

One day long ago, God looked upon a newly created world, a place of peace and serenity, and called it good. Genesis 1:31.

Today we look at the same world and sadness wells up within us. Peace and tranquility have fled, Instead we behold the awful devastation wrought by ignorance and sin. But weeping will not cure the ills of the wörld. Only God can. Two thirds of the world's population do not know Christ as Savior and Lord of their lives. Yet "How can they hear, without a preacher and how shall they preach except they be sent?" Romans 10:14-15.

Our goal of 5,000 missionaries on foreign fields has not yet been reached. At the beginning of this year there were 2,277 missionaries under appointment by the Foreign Mission Board for service in 67 countries. These men and women are now working in many parts of Africa, the Orient, Europe and the Middle East. The ministries they are engaged in are many and varied. Doctors and nurses are urgently needed in many areas where life expectancy is one third to one half of what it is in the United States, where dysentery, malnutrition, typhoid fever and leprosy are still major causes of death. These countries are desperately in need of evangelism and church development. Millions suffer and die without any knowledge of the Lord Jesus.

Calls come today for types of missionary service unknown a few years ago. If you can sew on a button, cook a meal, give a dollar (or more) drive a nail or baby sit, there is a place for you in Foreign Missions.

Mrs. A.C. Griffin

## HOME MISSIONS

Preparation for the Crusade of the Americas dominated much of the work of evangelism during the past year, serving also as the theme for most of the evangelism conferences in the states the early part of 1968.

The missionary force totals almost 2,300, representing a gain of over 100, although 460 appointments were made of associate and career missionaries. Most of them are jointly employed with a state convention, association, and/or local congregations. Other mission workers included 740 student summer missionaries, with 626 supported by the Home Mission Board and 114 by Baptist Student Unions.

Chaplains on active duty in Vietnam number more than 100, while there are 666 chaplains on duty with all of the military. In addition, about 300 chaplains serve in hospitals, institutions, and industry.

The Downtown Church Study was completed in cooperation with the Sunday School Board, and the first urban studies seminar was held in cooperation with Southeastern Seminary and the District of Columbia convention.

The Northeast has become the scene for some of the Southern Baptists most creative and rapid growth (with a 25% increase in the year) as part of an intensive emphasis upon pioneer missions.

The Cooperative Program and the Annie Armstrong Offering provided the largest support in the history of the agency, with $5,253,718.00 coming from the Cooperative Program, including $323,268 from the advance section, and the Annie Armstrong Offering brought $4,088,513.

The Growing Leisure Crisis and ways of ministering to resort communities have been under study - through conferences, pilot projects, and on-going mission efforts as directed by the Department of Rural-Urban Missions.

The expanding program of Christian Social Ministries reported extensive evaluation of existing ministries, studying centers in New Orleans, searching for a change in strategy in Literacy Missions, establishing guidelines for disaster relief, and designing a ministry to ex-prisoners. The ministry of Juvenile Rehabilitation has expanded to 100 areas and new methods and new concerns are under study.

The Christian task in the homeland grows with each passing day. The population has passed 200 million. By 1980 it is expected to reach 242 million. Migration from central cities to suburbs will continue, as doubtless will problems of poverty, racial tension, and public and private morality. More than seventy-five million people in the United States are unchurched. Our national involvement around the world constitutes a heavy burden. We must pray and work for a renewal of spiritual vitality, a revival of Christian faith.

Mrs. Jim Partin

## BAPTIST HOSPITAL

For more than forty-five years, North Carolina Baptist Hospital has served our state faithfully with excellent medical treatment and hospital care for the sick and needy.

The Hospital began with eighty beds but has been expanded from time to time as the demand for its skilled and understanding care has grown. With the Bowman Gray School of Medicine and ten other schools of medical services, Baptist Hospital has become a large, modern medical center serving thousands of patients each year. It has more than seven hundred students in training programs of health services. It also conducts a vast medical research program, pioneering in areas which promise new and valuable contributions to the cause of better health care.

Currently, the Hospital has underway a development program which will raise the number of patient beds to 709 from its present 532, add five operating rooms---making a total of 17, permit the enlargement of all existing departments, and enable new departments to be added. With these facilities, which will be ready for use in 1970, Baptist Hospital will be able to serve more patients with greater effectiveness, and enlarge its sphere of usefulness as the healing ministry of North Carolina Baptist.

The major problem in carrying on the work of the Hospital continues to be one of finances. For the past two years, large deficits have been incurred in the operational budget. Our Mother's Day offerings have helped, but have not been sufficient to meet demands for service patients, who are unable to pay for needed treatment.

Baptist Hospital asks, and deserves our association's support. Let us continue, and if possible increase our support to this healing ministry.

Lamar L. Moore

## CHRISTIAN LITERATURE

In these rapidly changing times we find ourselves faced each day with a multitude of choices in every area of life. This is reflected so clearly in the area of Christian literature. The pendalum has swung almost from one extreme to the other. Not many years ago one or two translations of the Bible were all that were available to the average person. Today we choose, from the many translations, which one we shall study. In the first 15 months of publishing the New Testament translation, GOOD NEWS FOR MODERN MAN over 8 million copies were sold.

Today instead of searching for materials to aid the Bible study and Christian training we are faced with the task of choosing from the vast amount of literature available. Our Sunday School Board alone edits over a million publications. Each publication, whether dealing with teaching, training, family ministry or recreational topics is based on "unswerving adherence to the truth and on the soundest ethical and moral standards."[1] There is no way to estimate the value of this wealth of Christian literature. "The printed truth enters doors," says Dr. James L. Sullivan. "through which spokesman may never go. It is as sound as the spoken truth, but has the potential of reaching multitudes who may never hear it."

Along with the Bible and Christian Literature the weekly journal, the BIBLICAL RECORDER is "essential" reading for all N.C. Baptists who are concerned with the ministry of the local church as well as the denomination. "Never has there been a day when the Christian witness was more needed in dealing with the problems of the world. The church at work in the world needs all the information and insight it can get."[2] As the BIBLICAL RECORDER continues seeking to inform, to interpret and to influence it has gained the rating of one of the leading papers in the Southern Baptist Convention.

Truely the voice of Christ is being heard through Christian literature for all who choose to read.

## TEMPERANCE AND MORALS

Temperance is moderation in action, thought or feeling. Temperance is self-control.

When we hear the word temperance most of us are prone to think of the use of alcoholic beverages. But, wisdom prescribes self-control in all things. The Individual who is wise will exercise control over his appetite and passions, respect his body and soul which are the handiwork of God, and by self-control he will refrain from causing misery and suffering to himself and others as well.

The consumption of alcohol in our country is on the increase. According to the National Safety Council the average teenager in this country will be handed a drink before he is handed his high school diploma. The young adolescent may look upon alcohol consumption as a means of proving his manhood. The problem of drinking by our teenagers can be placed squarely at the feet of adults, particularly parents. With alcoholic beverages being served socially in the home, how can we expect our young people to refrain from the use of them?

It has been estimated that one-half of our adult population are users of alcohol in some form. By 1975 there will be 29 million alcoholics and problem drinkers, and of this number 12 million will be Women.

We may never be able to completely stamp out the problem of drinking but we should constantly strive to issue warnings and to point out the dangers of the use of alcohol.

Morals keep pace and go hand in hand with the drink problem. We find a tremendous decline in morals in the home, the church, the school and our government. We have lawlessness, poverty, broken homes and orphanages filled with children deserted by drunken parents. Our newsstands are filled with obscene literature. The increasing sale and use of narcotics is invading our society.

If our young people will keep their minds alert and use the wisdom with which God has endowed them, it will be easier for them to make the proper moral decisions. As adults, it is our responsibility to set examples by living upright lives, and to seek to guide them by advice gained through our years of Christian experience.

S.L. Lowery

## CHRISTIAN EDUCATION

With Southern Baptists in the field of Christian Education throughout our history, and presently operating 54 colleges, 6 seminaries, 7 academies, and 4 Bible schools, we see that this is a matter of considerable importance to us. Baptist people owned and operated through our conventions and boards, we must keep in mind that our Christian schools are literally outposts of our churches. This must establish for us a deep sense of concern and responsibilities.

This responsibility creates in us a desire to define what Christian Education is. Once again, we state that its task is not to hide any truth from the Christian, but in a positive way, to present truth with a sense of the relevance of Christian faith, with a definite bias toward Jesus Christ. Our records show that with standards a little above the national average, we are not operating second rate institutions in any manner.

As pleased as we are to indicate that we present such a program, we face the heavy responsibility of its cost. Our schools do not depend upon tax support. Thus we see church support becomes such a vital concern. While dollar-wise there has been some slight increase in church receipts over the past 10 years, actually our Cooperative Program support has declined about 8 percentage points.

During these testing and trying days for our schools, we are urged to maintain an alertness to their problems as well as to their tasks. We must be willing to consider its "mission" nature and then appropriately finance what we venture to hold essential to our work.

Rufus Corbitt

## HOMES FOR THE AGING

One of the most significant ministries of North Carolina Baptists is their service to the aging. With the new advances in medical science, this group is becoming an ever increasing proportion of our total population. It is encouraging to note that North Carolina Baptists are becoming more and more aware of their responsibilities to these people who have served the churches so faithfully for so long.

This year North Carolina Baptists opened their fifth facility in Yanceyville thus allowing us to care for over 200 people. The fact which should be of most interest and concern to the churches and people of the Chowan Association is the fact that this new home increases our own responsibility in sharing the cost of operating these homes. Certainly we would not want one of our faithful members to be turned away because of a lack of financial support. In the coming year let us each strive to support this vital ministry to the greatest extent possible through the Cooperative Program and the special offering in February 1969.

Robert L. Winston, Jr.

## EXECUTIVE COMMITTEE REPORT

The Executive Committee of the Chowan Baptist Association held four regularly scheduled meetings in December, March, June, and September. A called meeting was held in April at the Corinth Baptist Church.

The Nominating Committee of the Executive Committee, having been appointed, gave its report and the following committees were elected for the Executive Committee:

(1) The Missions Advisory Committee
(2) The Finance Committee
(3) The Calendar Committee

A temporary Resolutions Committee was appointed to bring appropriate resolutions of expression concerning changes in the ABC laws of North Carolina.

At each meeting, reports were heard from each of the Association's area of work. The Executive Committee instructed the Missions Advisory Committee to look for more adequate space for housing our Associational Office. At a called meeting in April, they recommended "that the office of the Chowan Baptist Association be moved from the Peoples Bank & Trust Company to the First National Bank as soon as possible; and that the extra cost of this office space for the remainder of the budget year 1968-69, be taken from the budget item listed as office equipment and that the budget committee appropriate $900.00 for the 1969-70 budget." The report was adopted and the office moved to its beautiful new location.

The proposed budget for 1969-70 was presented by the Budget committee and approved. The Executive Committee asked Mr. Earl Harrell Edenton, to audit the books of the Treasurer and report findings to the annual session.

The Trustees were asked to re-negotiate the loan on the Kitty Hawk Chapel with Planters National Bank of Manteo. This was done in accord with the recommendation approved at the last annual session. The amount of the loan being $6,478.84.

Respectfully submitted

## ANNUAL AUDIT REPORT

This is to certify that I have audited the books of John M. Elliott, Treasurer of the Chowan Baptist Association covering the General Fund, Camp Cale Fund and Kitty Hawk Mission Fund for the Associational year ended September 30,1969, and find the same correct as stated in the above reports of the various funds. The records are well kept and I wish to take this opportunity to commend Brother Elliott for a good job.

Respectfully submitted,
Earl G. Harrell

17. The Report of the Missions Advisory Committee was presented by Rev. Bill Presley. The report was approved by the Association.

## MISSIONS ADVISORY COMMITTEE

I. KITTY HAWK CHAPEL. " I'm writing to let someone know how much the chapel at Kitty Hawk means to us in the summer ... Thank God for the Chowan Baptist Association, and their every effort at the beach."These are typical reactions to people who visited the Chapel during the 1969 Season. Once again this year Rev. J.W. Costner of Rutherfordton, N.C., a retired minister, served as pastor during the summer. Under his capable leadership the Chapel had it's best summer yet. During the summer the Chapel was air-conditioned and a water cooler was installed.

The following is a report on the attendance and offerings during the 1969 season:

| | Attendance | Offering |
|---|---|---|
| June 1 | 43 | $32.86 |
| June 8 | 62 | 50.34 |
| 15 | 44 | 45.28 |
| 22 | 66 | 37.21 |

| 13 | 93 | 67.07 |
| 20 | 74 | 37.60 |
| 27 | 106 | 108.13 |
| Aug. 3 | 84 | 65.24 |

II. CIRCUS TENT MINISTRY. Once again this summer the ministry of the Circus Tent was tremendous. The main purposes of the Circus Tent Ministry are to provide a clean, wholesome place for young people and adults to congregate, to set forth a Christian witness through folk music, provide an opportunity for Christian dialogue, and to show forth a living witness of faith in Jesus Christ. Consider the following facts in regard to the Circus Tent ministry for 1969:

1. A total of 184 persons were involved at one time or another during the summer's operation. This does not include the ministers who were on duty each night, the "New Hermaneutics," nor tourists who worked one or more times. The denominations involved were Methodist, Baptist, Catholic, Jewish and Episcopalean.
2. The "New Hermaneutics," the musical group which worked at the Tent during the summer, was composed of four Methodists, one Presbyterian, and one Baptist. David Moore, from Durham, was the Baptist boy, and his salary was paid through the Missions Department of the N.C. Baptist State Convention. The group who worked the summer of 1968 cut a record entitled "The New Hermaneutics Sing Folk Songs from the Circus Tent." Almost a 1,000 copies were sold during this summer, and a 1,000 more have been ordered. The 1969 New Hermaneutics also have cut a record, and it will be on sale at the tent next summer.
3. A thousand copies of the New Testament edition of GOOD NEWS FOR MODERN MAN were sold during the summer. The Chowan Baptist Association furnished these New Testaments. The New Testaments cost 21¢ each, were sold for 35¢ each, and the profit sent to the American Bible Society as a gift.
4. An estimated number of 50,000 people attended the Circus Tent during the 1969 season.
5. Gross sales of $12,190.69. (Ice cream and coke.)

The future ministry of the Circus Tent is bright indeed. Already plans are being formulated for 1970. A sacred garden is being set up adjacent to the Circus Tent. This will provide a place for prayer and meditation; also pieces of sculpture will be displayed with the theme, "God in Creation, and man in response."

III. MOVIES ON THE BEACH MINISTRY. This project is sponsored by the Dare County Ministerial Association. A screen is set up on the beach near the old Coast Guard Station. For six weeks, movies such as TIME AND ETERNITY, THE ANT KEEPER, and LSD, were shown. Bad weather hampered the showing of the movies this season, but somewhere around 4,000 people attended the movies. The Chowan Association was involved in the movies in that Rev. J.W. Costner, The Chapel Pastor, helped in running the projector, and introducing the films. Also the Baptist State Convention payed the rental on one of the films during the summer.

IV. THE ASSOCIATIONAL OFFICE. The Chowan Association is fortunate indeed to have Mrs. Glenn Lane to serve as associational secretary. Through her dedication to God and the work of the association, the work of the Associational office is carried on in an excellent manner. The Missions Advisory Committee would like to commend Mrs. Lane for a job well done.

## EVANGELISM REPORT

The simultaneous revival meetings held last spring as a part of the Crusade of the Americas bore evidence, in some places across the state, of being genuine spiritual revivals. Where God's people sowed bountifully, they reaped gloriously. In our association the Crusade was promoted in many of the churches.

As we face the future in evangelism we should take note of what happened this year where outstanding revivals were experienced. This will give some guidelines for future plans in evangelism. As observed across the state some of the characteristics were:

1. In every church where an unusual revival was reported there had been an unusual prayer concern and prayer participation across several months on the part of some church people - usually the leaders.
2. Some of the most powerful revivals in our state started among the young people of our churches. This has taken place in several churches in N.C. this year. It ought to be happening everywhere.

In the light of what we have seen this year, here are some "musts" for the future:

1. To seek earnestly to be completely assured in our hearts and minds that the only hope for us and all people is Christ - Christ as He and His gospel are revealed by the Holy Spirit through the Bible, the inspired and inerrant Word of God.
2. To purpose to engage daily in searching the Scriptures and in praying for spiritual revival in the churches.
3. To proclaim faithfully "publicly and from house to house" (Acts 20:20) the glorious gospel of Christ.
4. To attend the State Evangelism Conference, Greensboro, February 2-4, 1970. Plan for interested church leaders to attend. Most of the people who attend are lifted to a mountain top experience.

Evangelism is leading people into an experience with Christ as Lord of Life. In 1970 let us in the Chowan Association be evangelistic!

3. At the end of the Associational year that all funds in excess of $1,000 in the general fund be applied to the debt of the Chowan Baptist Association in the way determined best by the Trustees of the Chowan Baptist Association.

41. The motion was seconded and after discussion was approved by the Association as presented.

42. Mr. C.E. Morris presented the report of Baptist Homes for the Aging which was approved by the Association.

## BAPTIST HOMES FOR AGING

Never before have your Baptist Homes for the Aging been more conscious of the Lord's Presence and of His Goodness than during the past year. At a time when the economy of the Homes was at its lowest ebb, with a sizeable deficit looming larger by the moment, when the weather was at its severest on the 3rd Sunday of February, the day of the Special Offering, the churches came through with an offering that promises, at this point, to be the greatest in the Homes' history. The Lord, who is in charge of the weather and in charge of the Baptist Homes for the Aging, has surely rewarded our faith and moved upon our Baptist people to see the urgency of our needs, and we are grateful.

Ours shall continue to be a relationship of trust in the Lord and faith in our Baptist people. We earnestly hope that a continued and sustained effort will be made by our churches to increase and strengthen the amount of the two main means of support for our ministry to the Aging - The Special Offering, and the Cooperative Program. Through these two sources, one-third of the total income for the Homes is derived, and 85% of the residents, who are financially dependent, are cared for and supplemented. If we are to continue to assist these many needy persons, and if we are to reduce the deficit in the operation of the Homes, brought about by the rising cost of living, we must have more liberal support from our churches.

Since last year, the Yanceyville Home, our newest Home, has been filled to capacity, and we now have almost 200 deserving older men and women living in our midst there and in our other four homes. It is a deeply rewarding experience to see the light and joy of Christ on an older person's face and to hear words of deep appreciation almost daily for the Christian love and nurture that N.C. Baptists are making possible through this ministry.

Mr. C.E. Morris

43. Mrs. T.O. Asbell brought the Camp Council Report which was approved by the Association.

## CAMP COUNCIL

The Camp Council is pleased to share the activities which took place at Camp Cale for the past summer. The program was directed by Mr. and Mrs. Jack Clifford. Due to the increase of responsibilities, Jane Jackson, a college junior and a licensed lifeguard, assisted Jack in the waterfront activities. Under the direction of Mr. and Mrs. Clifford a well planned program was carried out. Jackie and Jane prepared breakfast. The two other meals were prepared by the Mrs. Katie Dail and Mrs. Daisy Lane. The Camp received an "A" rating by the Health Inspector.

The bathhouse was a delight to the campers as well as all other people who visited the camp.

The first year of the three year plans was carried out. The two cabins and 2 hogans made into permanent sleeping quarters made our camp what it was this summer. The director and his wife occupied one hogan; Jane, the lifeguard, occupied the other one.

We began Camp June 24-28 with Intermediate boys followed by five successive camping weeks. The total campers for the 6 weeks of resident camp were 109. Twenty-three churches were represented in this number.

Other activities on campsite raised this number to 1,170 participating in summer activities.

As always we wish to express thanks to the ministers, laymen and boys who helped clean up campsite, set up beds and all other things that are necessary in preparation for camp. Rev. Bill Leary co-ordinated the work as he has in the past years. Mr. Billie Jackson supervised the construction and assisted carpenters. We are grateful for the services of these two men.

We urge each of you to visit the camp, especially while camp is in progress. As you know, without the support of your finances, prayers, publicity, sending campers and serving as counselors YOUR camp would not exist.

There were many spiritual blessings during the camping season. During one particular week nine girls accepted Christ and/or made some commitment.

Are you satisfied with your camp? Are we all doing everything possible to promote these activities for our girls and boys?

Mrs. T.O. Asbell

44. Mrs. Cecil Basnight gave the report of the W.M.U. which was adopted by the Association.

## WOMAN'S MISSIONARY UNION

Task One of the Woman's Missionary Union is Teach Missions, Task Two is to lead persons to participate in Missions. We might say that these two tasks are responsible for the changes that have taken place this last year.

We cannot use the same methods today that were used ten years ago; we live in a changing world, so we must get outside the four walls of our churches and meet the needs where they are. I John 3:18 puts this very clearly. Our love should not be just words and talk, it must be true love which shows itself in action.

I have received reports from 36 of our churches. It has been a real thrill to see many of these churches receive recognition.

The Executive Board met once each quarter to make plans and discuss problems. In March, six of the Executive Board attended the annual meeting in Charlotte. In September a prayer retreat was held at Camp Cale with approximately 100 in attendance. Mrs. J.T. Biggers prayer chairman was incharge. I am very proud to have three of our churches recognized as Distinguished, Calvary, Eureka and Sandy Cross.

It has been my privilege to serve as your WMU Director this year. Thank you for your cooperation and your prayers.

Mrs. Cecil Basnight

45. Rev. George Cooke gave the report of the Training Union which was approved.

## TRAINING UNION

The key features of the Associational Church Training Ministry last year was the "M" Night Program held with Berea Church with 183 in attendance and the "Youth Night" held with Rocky Hock with 175 in attendance.

Next year can be the most exciting and challenging year that our churches have ever faced in the Training Ministry. It takes no stretch of the imagination to state the clear fact that 1970 presents the greatest challenge in the history of Training Union work.

In getting ready for the 70's, the Church Training Ministry can help answer questions so vitally concerned with the life and work of our churches. Such questions as - what new curriculum materials will be available and how may they be utilized in the most effective manner to train new church members, church members and leaders? How can church leaders help their churches understand the new spirit and purpose of the Church Training Program?

The key word as we look to the 70's is "change." The Church Training Ministry can truly be the answer to the need of our churches and God can give us victory in 1970 through a deep, living faith.

Respectfully submitted,
George H. Cook
Associational Church Training Director

46. Mr. Fahey Harrell gave the Brotherhood Report which was approved.

## BROTHERHOOD REPORT

When I accepted this job as Associational Brotherhood Director, I didn't realize that I knew so little of what goes on within the Associational and State Offices. I have learned a great deal this past year of the work in these areas.

On February 7, I went to Raleigh to meet and talk with our State Officers about the future plans of the Brotherhood and R.A. work.

On February 15, an R.A. Counselor Training Class was held at Elizabeth City First Baptist with individual workshops for each age group. There were 21 pastors and counselors present.

On March 28/29 I attended a Baptist Men and Boys Convention at Winston-Salem. There were some 7,000 men and boys in attendance.

On April 26 We held an association track meet at Central School at Elizabeth City. There were about 40 boys from four different churches participating. The winners of each event were to represent the Association at Winston-Salem in the State track meet.

We held an Associational Brotherhood Rally at Hertford Baptist Church on May 8. Guest speakers were Ed Bullock, our State Brotherhood Secretary and Ned Beatty, a pastor at Jacksonville, N.C. Both men brought inspirational messages to us. There were approximately 75 men present.

On May 17 I attended the State Track meet at Winston-Salem. Associational winners and runner ups also attended and participated in this event. There were about 40 men and boys from the Chowan Association present with Edenton largest in attendance. They chartered a bus and took their entire R.A. chapter. Even though we didn't run away with all the honors, our association was well represented, and the important thing was the way the boys conducted themselves as fine Christian athletes.

An Associational Brotherhood and R.A. cook-out was held at Camp Cale on August 16. There were 93 present. It was an evening of fun with games and swimming followed by hamburgers, hot dogs, baked beans, potato chips, cookies and cold drinks. Even though it was rather rainy it still was very successful.

I would like to urge each of you here to support your R.A. and Brotherhood work this coming year and try to grow in number as well as in spirit.

Respectfully submitted,
Fahey Harrell
Associational Brotherhood Director

47. The congregation sang the hymn, "Leaning On The Everlasting Arms."

48. Mr. Jerry Armstrong presented special music.

49. Rev. Billy Presley brought a challenging message from the Scripture Luke 10:25-37.

50. A prayer of blessing for lunch and benediction was led by Rev. Stafford Berry.

### WEDNESDAY AFTERNOON

51. The congregation sang the hymn "Lead On, O King Eternal."

52. Rev. Sam Twisdale led the invocation.

53. The Moderator expressed appreciation to Dr. L.H. Hollingsworth for the heart-warming and inspiring Bible study.

54. The congregation sang the hymn, "Stand Up, Stand Up For Jesus."

55. Rev. Virgil Wilson brought the report from the Committee on Committees and moved the adoption of the report. The motion carried. (This report is included in the Associational Director at the front of these minutes).

56. Rev. George Cook read the report of the committee on Resolutions and moved its adoption. The motion carried.

## RESOLUTIONS

The one hundred and sixty-fourth session of the Chowan Baptist Association has proved to be helpful and inspiring to the messengers and visitors. The messages and reports have caused us to examine our faithfulness in all areas of our church life. Therefore, be it resolved that we express our gratitude:

1. To the Corinth and Providence Churches for their gracious hospitality in serving delicious meals and attending to the needs of all during this session.
2. To the Moderator, Rev. Aubrey McLellan, and the officers of the Chowan Association, for their faithful and consecrated leadership; to our program committee, and each person taking part on the program and in the work of the Association during the year.
3. To God for His patience and forgiveness when we have fallen short of His goal for us to carry the gospel into all the world.

Whereas we recognize that Almighty God has abundantly blessed our nation as few other nations have ever been blessed, and

Whereas we are increasingly troubled over the problems that perplex our nation today, and

Whereas we are deeply disturbed that our people should be so divided as they are today over national and International issues, and

Whereas we are especially mindful of our service men in Vietnam and the great sacrifices they are being called upon to make, and

Whereas we are concerned that our president is burdened with such heavy responsibilities while at the same time he is so bitterly attacked by those who are not in agreement with his efforts to bring a peace in Vietnam that is honorable, and

Whereas we are proud to be Americans and recognize our duty as Christians to bring our petitions before God,

NOW THEREFORE BE IT RESOLVED:

1. That we, the Chowan Baptist Association, request that our churches set aside Sunday, November 23, 1969, as a Day of Prayer,
2. That on that Day, we petition our Heavenly Father on behalf of our nation, its leaders, and its people,
3. That we ask that divine strength and wisdom be bestowed upon our President,
4. That we invoke God's care and protection upon our military men and women in places of grave danger,
5. That we earnestly pray that a spiritual revival might sweep across our land until this nation truly is "one nation under God,"
6. That a copy of this resolution be sent to each church in the Association as soon as possible.

Respectfully submitted,
George Cook, Chairman
Mrs. Walter A. Ward
Mrs. Rufus Corbitt
Mrs. Maynard Mangum
Mr. Earl Brite

57. Rev. C.W. Duling brought the report from the Time, Place and Preachers Committee and moved the adoption of this report. The motion carried.

## REPORT OF STANDING COMMITTEES

### CHRISTIAN EDUCATION

Our Baptist schools and colleges continue to be our major front to bear a Christian witness in the educational processes of our youth. At the beginning of the current year our six Baptist colleges in N.C., along with our university, enrolled 12,122 students. This indicates that our Baptist schools of higher education average an enrollment of 2000 young people each.

The theme for Baptist College Day, which ties the local church in closely with our college youth, was "Youth's Challenge to the Church and College." It was indicated that if the Christian church and the Christian College are to take seriously their obligation to modern youth, both must seek a new understanding of young people. Saying that the "problem child," so much portrayed in today's news, is less than three percent of all the students enrolled indicates that most youth today would honestly like to have a greater part in building a better world. We are counselled not to sell today's college students short but rather to rise to their concern that they have church supported opportunities in which our Christian faith and ideals are ever present.

More and more churches are observing Baptist College Day which has for its end to inform Baptist people about the work of their schools and to enlist financial support for their over-burdened budgets. Christian vocational workers who minister to the spiritual needs of college students on many campuses have first claim to gifts received from Baptist College Day.

Total Cooperative Program funds budgeted to our Baptist Colleges this year is $715,200. In addition Baptist College Day offerings brought the total to nearly $2,000,000. But in comparison to this direct church support, our total Baptist schools budgets are approximately $32,000,000.

For the churches, the Baptist Cooperative Program remains the greatest single support of Christian Education. The N.C. Baptist Council on Christian Higher Education pledges its cooperation in supporting the Cooperative Program as the best means of demonstrating our desire to carry out the Great Commission at home and in other lands.

## STATE MISSIONS REPORT

The purpose of State Missions in N.C. is to share the gospel of Christ with all the people of N.C. including those beyond your church community and to strengthen each church in it's local work. When you give regularly to State Missions through the Cooperative Program, plus an annual love offering; you are accepting WORLD MISSION responsibility. Thus, you are establishing new churches and cultivating a spiritual climate favorable to Christian life and the development of a Christian society.

Our homes and churches are the very source of the roots and fertility of State Missions. State Missions begins at our own back door, our own church, and spreads throughout N.C. State Missions is a two way road, one lane leads out from our church to all of N.C. and the other lane leads back to the church.

The fruits of State Missions can be seen in every city, hamlet, town and rural area of our State. It can be seen in new churches, salary supplements for mission pastors, associational missions, evangelism, church development, seminary extension, aid on church lots, missions to the deaf, Fruitland Bible Institute, Pastor's schools interracial aid, Missions in the Prisons, Good-will Centers, Indian Mission Work, Military Missions, and other general Board work. These fruits produce new roots, which in due season, bring forth a more bountiful State Mission harvest.

Some headlines concerning State Missions work in 1969: "Weak Churches Become Strong With State Mission Assistance" (Kitty Hawk Chapel built 6 years ago, State Missions helps pay the salary of pastor J.W. Costner and David Smith who witnessed on beach in Tent operation). "Offering Pays for Japanese Ministry," "Negro Ministerial Students are aided," "Child Care Center Enlists Entire Family," "Centerview Mission in Jacksonville Begun with help of State Missions," "Mission Offering Pays way For Bible School," and "State Missions Projects Reach out to International Students."

These headlines indicate YOU as you give to STATE MISSIONS, sharing in the many areas of our varied ministries. In the spirit of Christ will you dedicate a part of your life through your State Missions Offering?

"Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." Matthew 25:40.

Mrs. Walter A. Ward

## BAPTIST HOSPITAL REPORT

Our Medical Center continues a high quality program of medical care, training of medical personnel, and research in the causes and treatment of the diseases which afflict us. In the face of serious financial problems, the hospital staff is working more diligently than ever to minister to our people in keeping with their needs and to the limit of the hospital's resources.

The hospital has instituted more efficient admission procedures regarding patients' financial resources and plans for payment of hospital bills. Trained counselors are interviewing patients and their families regarding advance payments which are now required and for getting more accurate information on those who will need help. In this way they are able better to discover those patients who may be eligible for medical care assistance through Social Services departments or other health agencies, and can start proceedings at once for getting these patients certified if this has not already been done. These agencies pay a major part of the cost for a patient they certify, but not the total cost, and the Mother's Day Fund must pay the balance.

If it were not for the help which comes from these health agencies, our Mother's Day Fund would not last for three months. After paying the difference between what the agencies pay and the total cost for these patients, the Mother's Day Offerings are used to help as many as possible of those who are not eligible for certification and who themselves cannot pay the total cost of their care. First preference must be given to those patients whose needs are greatest and most urgent.

It is important that our people understand that all of the Mother's Day Offerings and designated gifts for this ministry are used for this purpose alone, and the hospital makes them go as far as it possibly can. The Trustees and Administration of the hospital are most grateful for the fine cooperation our pastors and our people are giving, and they earnestly solicit our understanding and generous support.

Reverend Sidney Oxendine

## REPORT ON CHRISTIAN LITERATURE

We read in Exodus 31:18, "And he (God) gave unto Moses, when he had made an end of communing with him upon Mount Sinai, two tables of testimony, tables of stone, written with the finger of God." As you read this verse, you are impressed with the fact that God wanted His commandments to be written and read. This incident may very well have established the precedent for the recording of the whole of the Bible. In this, God is establishing the importance of Christian literature - meaning God inspired.

Although the Bible should have pre-eminence over all literature, there is a valid place for other Christian literature. The end of all literature is to reach the mind of man. "For as he thinketh in his heart, so is he..." (Proverbs 23:7).

Christian literature informs and inspires. If you would be informed and inspired concerning the ministry of our Baptist State Convention, subscribe to and read the BIBLICAL RECORDER. If you would be informed and inspired concerning the work of our Home Mission Board and those who serve with them, subscribe to and read HOME MISSIONS. This journal is published monthly by the Home Mission Board. If you would be informed and inspired concerning the outreach of our denomination to all the world, subscribe to and read THE COMMISSION. This is a monthly journal published by the Foreign Mission Board.

If you are an avid reader, these publications of our denomination will not be sufficient as to the scope of your reading materials. I would suggest that you avail yourself to the biographies of great Christian men such as: John Hyde, David Brainerd, Hudson Taylor and Dwight L. Moody. A further suggestion for your reading materials would be to examine the Broadman Readers Plan.

Reverend Virgil Wilson

## RELIEF AND ANNUITY

When this board of the Southern Baptist Convention was originally set up it was to provide relief for the families of those ministers who had died and left their loved ones in dire straits. At the same time a provision was made so that a program could begin which would provide income for those who retired after long years in the Lord's service as well as provisions for those left behind when death came.

As the years have passed so has the growth of this program until now a complete Pastors Protection Program is available. Under this well-rounded program is Annuity, Life Benefit and Hospitalization, all under the Relief and Annuity Board of the Southern Baptist Convention.

Many of you who work in public works or factory employment take for granted the fringe benefits of your employment and consider them as a portion of your basic income from your work. If tomorrow you were to lose from your take home pay the amount necessary to meet these basic protections you take for granted would you be able to live on the remainder of your salary? Yet, how many of you, as concerned Christians, have looked into the cost of these fringe benefits to your pastor which at the present time is coming entirely from his salary, thereby reducing that which he has to live on?

If death or disability came to many of the pastors of this association many families would have to turn to this agency or others to provide relief from their financial burdens. Almost one half of the churches of this association do not provide even the basic annuity program for their pastors.

The pastor cannot initiate the basic program but must depend upon concerned Christians in the church to begin the program. If you have the basic program have you looked into the adequacy of this program, or is it the same which was provided 10, 15 or 20 years ago and does not now meet the needs of today? For information on all these programs and help in beginning them in your church, contact Reverend Guy Cain, Baptist Building, 301 Hillsborough St., Raleigh, N.C. 27603.

Reverend Thomas A. Clark

II. CIRCUS TENT MINISTRY. It is estimated that over a thousand people attended the Tent each night. The Main purposes of the Circus Tent Ministry are to provide a clean, wholesome place for young people and adults to congregate, to set forth a Christian witness through folk music, provide an opportunity for Christian dialogue, and to show forth a living witness of faith in Jesus Christ. Consider the following items concerning the summer's ministry at the Circus Tent:

1. Over 211 persons were actively involved in the operation of the Circus Tent during the summer. This included hosts, ringmasters, dippers, cashiers, night cleaners, day cleaners, and record salesmen.
2. Midnight worship services were held each Saturday night. On one occasion 400 people attended this service.
3. Almost a thousand copies of the New Testament, GOOD NEWS FOR MODERN MAN were sold during the summer.
4. Once again this year the Baptist State Convention provided one of the "New Hermaneutics" for the summer. His name was Paul Middleton.

THE SACRED GARDEN. This is a new ministry, which is located adjacent to the Circus Tent. The Garden is intended to be a place for prayer and meditation. During the 1971 season it is hoped that pieces of sculpture will be displayed in the Garden, with the theme, "God in creation, and man in response."

III. MOVIES ON THE BEACH MINISTRY. This ministry is sponsored by the Dare County Ministerial Association. A screen is set up on the beach near the old Coast Guard Station. For six weeks, movies such as Time and Eternity, The Ant Keeper, and LSD were shown. Again this year bad weather hampered the showing of films, but over 4,000 people attended during the season. The Chowan Baptist Association was involved in the work in that Rev. J.W. Costner, the Chapel Pastor, supervised the showing of these films. Also the Baptist State Convention supplied some of the films during the summer.

IV. THE ASSOCIATIONAL OFFICE. One of the choice leaders in the Chowan Baptist Association is Mrs. Glenn Lane, our Associational Secretary. Through her untiring efforts, the promotional program of the Association is carried on. The Missions Advisory Committee commends Mrs. Lane for a job well done.

39. Rev. Charles Ledford presented the report of the Evangelism Committee and moved its adoption. This was done by the Association.

# EVANGELISM COMMITTEE REPORT

During this past year, no Associational evangelism rally was held. Instead, emphasis was placed on Area Crusades in which the churches of a given area band together to provide an unusual effort at evangelism within that area. Such a crusade was held in Currituck County this year, with all the churches of the county invited to participate. We feel that the effort was worthy.

During the coming year, emphasis is being placed on Lay-Evangelism. Exciting new materials are going to be available in May of 1971. We await the suggestions of Bill Lamb, our State Secretary of Evangelism, in projecting plans for the year.

Since Evangelism is purely personal in that its responsibility falls on each of us, and not to a pastor or committee alone; and since it is pointedly present in nature and can only be done while it is today ("Today is the Day of Salvation"); and since it is Powerfully Effective in carrying out the great commission of our Lord; and since Evangelism is our only real excuse for remaining on this earth, the remainder of this report will become very personal in nature. We will pause a moment in this session to evaluate our own dedication and activity in winning lost men, women, boys and girls. Our humble acknowledgement is made to Jesus Christ, the Director of the Program of Evangelism, and to the Holy Spirit who empowers and leads in the task.

Respectfully Submitted,
Charles Ledford, Chairman

44. Rev. C.W. Duling brought the report of the American Bible Society which was approved by the Association.

## AMERICAN BIBLE SOCIETY

The American Bible Society founded in 1816, is one of the oldest missionary societies in America. It has for its single purpose the translation and circulation of the Holy Scriptures without notes, amplification or comments in the languages of the various peoples on earth so that all might have the message of God's love in words he can read and understand.

Throughout the long history of the American Bible Society many Christian churches and bands of individuals have contributed to its work. At present more than 70 denominations and conventions are represented on its advisory council and in its work in the U.S. and overseas serves hundreds of missionary posts and national church bodies.

The Bible or at least one of the 66 books of the Bible has been translated into more than 1400 languages. While there are still many languages in which no part of the Bible has been published, at least one book of the Bible is available in the languages spoken by 97% of the world's people.

In 1969 nearly 2 1/2 million Scripture volumes were given for distribution by Chaplains to our Armed Forces and veterans hospitals. Many of these were given for distribution by our Southern Baptist chaplains.

Our Southern Baptist churches support this work and in 1969 gave $232,765.00 and ranked first among all denominations in the amount given. Although we lead in the total amount given, the per capita gift was just a little over 2¢ a person. The per capital gifts of several other denominations is larger.

In the Bible message and Lord lies the hope of the world. Which hope most of the world does not yet have. The Bible must be continuously translated, revised and distributed. You can do this through your support - putting an amount in your church budget for this, or asking an annual offering, and by your personal prayers and support.

Respectfully submitted,
Rev. C.W. Duling

45. In the absence of the Camp Cale Council chairman, Rev. George Cooke brought the Camp Council Report which was approved by the Association.

## CAMP COUNCIL

It is a pleasure to report to the Association the activities of your summer Camp at Cale.

The program was directed by Jack and Jackie Clifford for the second consecutive year. The kitchen help - Mrs. Katie Dail and Mrs. Daisy Land, and life guard, Miss Jane Jackson, were also repeats from last summer. It was necessary to hire one extra girl. The total staff numbered five for the summer.

The six (6) weeks of resident Camp began July 7-11, 1970 ending August 11-15, 1970 - total number campers - 109.

There were five (5) days of day camps - including R.A.'s this year. Total number to attend - 309. Other activities included:

| | |
|---|---|
| Reynoldson Church picnic | 150 |
| Berea Cook-out | 40 |
| Corinth and Shiloh cook-out | 30 |
| Beulah and Middle Swamp picnic | 34 |
| Deacons' Prayer retreat - Macedonia | 8 |
| Brotherhood | 84 |
| Youth Retreat | 49 |
| WMU Prayer Retreat | 49 |

The Camp site was used again this year by the Albermarle Soil Conservation Group.

The 2nd year of the over-all building program was carried out. This consisted of building one (1) new cabin; pier and steps; parking area improved and a mail box. The most helpful and useful item was the purchase of an ice maker and water fountain. Sixteen (16) beds were purchased. The Hertford WMU gave a complete bed outfit (bed, matress and pillow). About fifty (50) folding chairs have been given by the Calvary Church. We are indeed grateful for these needed items given by these churches.

The sleeping quarters seemed to be adequate for the present. (Three (3) cabins and two (2) hogans.) The recreation area needs much improvement. The development committee of Camp Cale would like to see this done next year.

Open House was held at the Camp on June 17, 1970 from 2 to 4 P.M. The clean-up committee, both men and women, responded well in preparation for this occasion. Mr. James Cale and wife were our honored guests. They were pleased with the development and surprised that so much had been done thus far. Mr. and Mrs. Clifford came from Wake Forest. Jane Jackson from Greensboro. All in all our day was a success because of the co-operation of the Camp Committee; those who helped to park cars; the WMU who helped to serve as hostesses and guides.

In this space age in which we are living among confused young people, our Camp should be more of an asset than ever before.

Our prayers are that Camp Cale will be a meaningful experience for our youth on through the years.

Respectfully submitted,
Mrs. T.O. Asbell, Chairman

46. Rev. M.B. Motts gave the report of the Training Union which was approved.

## TRAINING UNION

The most inspiring event of the Associational Church Training Ministry during the past year was the "M" Night Program held at Corinth Baptist Church on February 4th with 225 people attending. The Rev. Marvin E. Faille of First Baptist Church, Roanoke Rapids, brought a challenging message with the theme, "Back to the Bible."

Never has the need been so great as now to have truly Bible-centered training opportunities that will send spiritually awakened leaders into increasingly challenging fields that are "White unto the Harvest."

A "Shaping the Seventies" conference was held at Goldsboro in February. As a result of this conference, Church Training Ministry sessions were held at Edenton Baptist Church on February 23 and at First Baptist Church in Elizabeth City on February 24th. Later, a follow-up session was held at Hertford Baptist church. A total of 14 churches out of 56 were represented at these sessions.

The Church Training Ministry can be a special avenue of blessing for our churches next year as God calls for dedicated leadership. When He calls will You respond?

Respectfully submitted,
Sam Twisdale
Associational Church Training Director

47. Rev. Virgil Wilson gave the Sunday School report which was approved by the Association.

## SUNDAY SCHOOL

This has been a year of choice, challenge and change in Sunday School work within the churches of our Association.

For the purpose of offering leadership for our Sunday Schools, a conference for our General Superintendents was offered in each of the two "Shaping the Seventies Clinics" held in our Association this year. The first was held on February 23, at the Edenton Baptist Church. The second, was held on February 24, at the First Baptist Church in Elizabeth City. A make-up conference was provided for the General Superintendents on March 24, at the Hertford Baptist Church. The total enrollment for the three conferences was 93.

In addition to the three conferences, five pastors, Reverends William Carter, James Davenport, Charles Ledford, Robert Poole, and L.J. Rainey were enlisted to serve as "Visitor-Trainers" to assist the pastors and general superintendents in the selection of literature, organizational structure and the utilization of present educational facilities.

With the 70/70 Launch already in progress, it is my prayer that the visitation and enlistment of this plan will result in a larger number of persons involved in the study of God's Word. The 70/70 Launch is a plan that will work if we are willing to follow it.

The churches which conducted Vacation Bible Schools this year were introduced to the new curriculum materials that offered improvement in resources and procedures.

In preparation for these schools, two Associational Vacation Bible Clinics were conducted this year. The first was held on March 31, at the Edenton Baptist church with 87 enrolled. The second was held on April 1, at the First Baptist Church in Elizabeth City, with 127 enrolled. We express our appreciation to both of these churches for serving as host churches for the clinics.

Our Vacation Bible School Clinics were staffed with leaders from the churches of our Association, except for Mr. J. Clyde Hall, Educational Director of the First Baptist Church, High Point, North Carolina.

We express our gratitude to Mrs. J. Russell Baxley, Mrs. Paulett Lane, Mrs. C.D. Swain, Mrs. Gordon Shaw and Mrs. James H. Davenport for the excellent leadership they gave to those attending the age-group conferences.

All of our conference leaders received their leadership training at Wingate College.

Respectfully submitted,
Virgil Wilson, Superintendent

49. Rev. Arthur Hales read the scripture II Timothy 4:1-8 and led in prayer.
50. The Chowan College Touring Choir presented special music.
51. Rev. Charles Wellons brought the message "Telling It Like It Is."
52. This session was closed with prayer by Rev. Charles Wellons.

### WEDNESDAY AFTERNOON

53. Rev. Glenn D. Greenway gave the call to worship and led in prayer.

54. The Moderator recognized Rev. Rodney Beals of the Baptist Childrens' Homes and Dr. Hargus Taylor of Chowan Baptist College. Mr. Beals and Mr. Taylor spoke briefly on their respective institutions.

55. Mrs. Cecil Basnight gave the report of the W.M.U. which was adopted by the Association.

## WOMAN'S MISSIONARY UNION

In Matthew 28:19-20 we find these words: "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit, Teaching them to observe all things whatsoever I have commanded you: and lo, I am with you alway, even unto the end of the world."

If these verses meant to us what they are supposed to, this could have been one of the most rewarding years in W.M.U. work. I have talked for over a year about the new phases of mission action. We have talked about moving out of the four walls we know as the church to reach the people where they are. I have been listening to our ladies during the past two years and I am convinced there is more talk than action.

If we really believed what we have been teaching for all these many years we would not be short two associational workers in W.M.U. We would not worry about changes because we would be too busy.

Ladies, I challenge you to lay hold of this promise in the scriptures and see what wonderful things happen.

The W.M.U. executive committee held their regular planning meeting during the past year. Four of our committee attended the State workshop at Monda Vista.

In April the Annual meeting was held at Shiloh with approximately 200 members present.

It has been my privilege to recognize two of our fine young ladies this year as Queen Regent in Service.

One of the highlights of our W.M.U. year is the prayer retreat held at Camp Cale. This year we had approximately fifty in attendance.

There is both joy and disappointment in serving as your Associational Director. There is joy when you see a group of ladies get so involved in a project they forget the time. There is joy in seeing a group of women come together to pray for the problems of the world. There is joy in having a young person tell you the W.M.S. really does care about them.

But there is disappointment when I see all the women in our Association who are not interested in missions here or in the far reaches of the world, who are not interested in change, because they had rather do it like it has always been done.

We have room to grow and really get involved if you but commit yourselves to God's work.

Thank you for the joys and disappointments and the privilege of serving as your W.M.U. Director.

Respectfully submitted,
Mrs. Cecil Basnight

55. Mr. Fahey Harrell gave the Brotherhood Report which was approved.

## BROTHERHOOD REPORT

On November 25, we held an Associational Brotherhood Workshop at Edenton. Attendance was disappointing. On January 19th and 20th I attended the Shaping the Seventies conference at Goldsboro. Then on February 23 and 24 I held the Brotherhood portion of the Shaping the Seventies Associational Clinic. The first night was held at Edenton and the second session at Elizabeth City, First. We had good representation from many churches throughout the Association at both sessions. I feel this was probably the highlight of my efforts this year.

On March 20 and 21, I attended the Baptist Men's Convention and R.A. Congress at Fayetteville. It was most inspiring with speakers such as Bobby Richardson and Miss Patsy Johnson, Miss North Carolina and many more. I would like to encourage more churches to attend this convention next year. It is worthwhile.

Saturday, April 18 we held an Associational Track Meet at Elizabeth City. We had a good turnout with members from Rocky Hock, Edenton, Berea, Ramoth Gilead, Sawyer's Creek, and Beulah participating. The winners went on to Winston-Salem to represent the Association in the State Track Meet there on May 16. Competition there was very great and we didn't bring back many ribbons, but I think each boy that participated came back a winner because of the Christian fellowship experienced there.

On Saturday, August 29, we held an Associational R.A. cookout at Camp Cale. This was an afternoon of fellowship and fun. There were approximately 90 boys in attendance from many churches of our Association. A talk and demonstration on boating safety was given by Mr. Horace Cahoon, Wildlife Protector from Perquimans County. Everyone had an enjoyable afternoon.

I would like to challenge each of you here today, that as we begin our new year, to put our best foot forward, set a goal and not take our eyes from it. Let's make this year the greatest year for our Brotherhood, for our church, and above all for God.

Respectfully submitted,
Fahey Harrell

56. Rev. Charles W. Duling read the report of the Committee on Resolutions and moved its adoption. The motion carried.

## RESOLUTIONS

Be it resolved:

1. That we express our gratitude to God for His usual generosity in blessing us far beyond our deserving in the year just passed, and for giving us a peaceful and hopeful 165th year of our Associational life.

2. That we express our sincere appreciation to our denominational leaders for the guidance and help given, and in particular to our Associational leaders: to Aubrey McLellan, our genial and gracious Moderator for keeping the program moving along smoothly and on time, and our people in a happy mood; to John Elliott, our treasurer, who leaves no need or room for questions when he brings his clear, detailed and precise report; to our Clerk, Jim Davenport for his faithful keeping of the minutes, getting them to the printer and to the churches in a reasonable length of time; and to our program committee for arranging such an interesting program, and to all who had a part in it.

3. That we, in word as we did in action, express our appreciation to our host churches - Macedonia and Reynoldson - who anticipated our every need and left nothing to be desired in friendliness, hospitality, brotherly love and abundance of food tastily prepared and efficiently served. Both churches gave the impression that it was a pleasure to have us and that their labor in preparing for us and entertaining us was a "labor of love."

Respectfully submitted,
Charles W. Duling, Chairman

## REPORT OF STANDING COMMITTEES

## STATE MISSIONS REPORT

".... and ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth." (Acts 1:8)

Our State Mission program is our witness in "Judea". State Missions begins at our own church in our "Jerusalem" and spreads beyond throughout North Carolina. From the mountains to the coast, the offerings received through the Cooperative Program gifts and the special offering for State Missions in September are helping to support more than 30 missionary activities. This is your church at work today, seeking to answer the Great Commission at home by showing concern for people in need.

State Missions is showing your concern by providing a chaplain at Samarcand Manor where more than 260 girls need help. It is witnessing to the patients at McCain Sanatorium and to the servicemen and their families at Fort Bragg, Cherry Point, and camp Lejeune. It is reaching more than 6,000 deaf with the story of Jesus by means of sign language. State Missions means concern for people by helping a smaller congregation purchase a lot and by helping train church pastors at Fruitland Bible Institute.

Other ministries providing hope for people in need include: an active program of assistance and training to thousands of migrant workers each year, a teaching ministry in nursing and rest homes, seminary extension classes for Negro pastors, a resort ministry in some 20 recreational areas, and the establishment of mission centers in deteriorating portions of our cities.

State Missions is the compassionate concern of a people called Baptists for people in need. Does your concern cause you to pray for State Missions, to lead your church to share part of your offering each week through the Cooperative Program and to give an annual love offering through State Missions?

Mrs. Charles Luton

## HOME MISSIONS REPORT

"Quoting our Executive Secretary-Treasurer, Mr. Arthur B. Rutledge - "Against a background of a divisive war, persistent racial conflict, student tensions, shifting moral values, a slowing church membership growth, and a shaky vitality within

Christendom, the Home Mission Board sought a blending of faith-commitment to Christ and ministry to fellowmen. The Board's twelve programs enjoyed a healthy year, and registered some significant advances."

The Home Mission work is carried on by 2,235 missionaries, of which 585 were new appointments this year. Other missionaries - student summer personnel, 922; Christian Service Corps, 74 short-term and 40 long-term; 31 youth groups with a total of 1,175 young people, 100 adults accompanied the young people.

There has been 370 new missions and 97 new churches reported in 1969. We are encouraged by the work accomplished through the printed material, Scripture distribution, and Bible Correspondence Courses. Many have been reached through these efforts.

One-hundred and two World Mission Conferences were conducted with 116 associations participating. There was a total attendance of 619,472 with 1,863 churches participating. Home Missions speakers attended 247 camps with 29,785 total attendance, 1,404 professions of faith and 1,136 young people committing their lives to church related vocations.

Every day in many ways Home Missions is at work showing forth our love and concern to those who are lost and in need. May we all pray for a continuous harvest and that with God's help we meet the challenge of our Home Mission work in the future.

Mrs. Jesse Mercer

## FOREIGN MISSIONS REPORT

The mission of the Holy Spirit is missions. This is clearly indicated in the last message Christ gave to His disciples. Acts 1:8 says "But ye shall receive power, after that the Holy Ghost is come upon you; and ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth."

Underlying all our missionary endeavors is the ultimate purpose of leading people to new life in Jesus Christ and the cultivation of New Testament churches. At the end of 1969, reports from the Missions (organizations of Southern Baptist missionaries) totaled 5,303 churches (3,821 self-supporting), 7,375 mission points, and 4,574 national pastors. Also reported were 54,994 baptisms and 631,259 church members. Mainland China, closed to missionaries since 1951, was last estimated as having 392 churches, with 123,000 members, related to Southern Baptist mission work.

Book stores and reading rooms offer unprecedented opportunity to confront multitudes with the Christian message. Twenty-seven publication centers overseas and at El Paso, Texas, produced over 29 million pieces: tracts, books, periodicals, Bibles, hymnbooks, etc. Staffing these centers were 83 missionaries and 591 national workers.

Medical institutions in which Southern Baptist missionaries serve included 21 hospitals and 92 clinics and dispensaries, with a total of 1,538 beds. 64,508 inpatients and 815,512 outpatients were treated. Engaged additionally in the medical ministry were 1,575 nationals and 38 missionaries.

There has been no change in the Great Commission. There has been no change in the gospel we preach. The commission delivered to the disciples is the same commission delivered to us. The same Christ who said to them, "Go ye into all the world and preach the gospel to every creature", is saying the same to us today. If the apostles needed divine power to fulfil this commission, surely we need it.

God alone can save today just as he alone could save in the days of the apostles. The workman of today needs this power that comes from God. Christ came and died to save the world.

Mrs. J.L. Chestnutt

## RELIEF AND ANNUITY REPORT

The Southern Baptist Protection Plan is one of the finest steps taken by concerned Southern Baptists to provide the necessities of life for those who have labored faithfully in the Lord's service and now have reached the golden years. With such a program available, a number of the churches of this association do not participate in this protection plan.

I would ask concerned leaders and Christian men and women of the churches to look into the program of your church and see if the pastor you called to labor among you will be provided for when due to age or health he will be forced to retire. It is sad to say that if misfortune were to befall, many pastors and their families would face financial hardships.

The pastor cannot initiate this program, only concerned Christians in the church can provide this protection for those who serve. For information or assistance in providing this program contact Reverend Guy Cain, Baptist Building, 301 Hillsborough Street, Raleigh, N.C. 27603.

## CHRISTIAN EDUCATION REPORT

Today our Baptist colleges and schools in North Carolina face a greater challenge than ever - enrollment is on the increase, inflation on the climb. While the schools are stronger than ever with better prepared teachers and adequate facilities, they are having an increasingly tough time financially.

North Carolina Baptist schools, including Wake Forest University and Fruitland Baptist Bible Institute, enrolled approximately 12,000 students during 1969-70.

Budgets for the schools this year are approximately $32,000,000. Total Cooperative Program funds budgeted to our Baptist Colleges this year is $1,560,307.

Because of rising tuition charges, many Baptist young people may not, in the future, be able to enroll. This is a matter of grave concern to potential students who are looking for the highest ideal in education which can only be offered in a Christian atmosphere.

Ministerial and missionary students, as well as other church related personnel, also depend on these Christian institutions to prepare themselves for the tasks that God has called them to. A shortage of these dedicated persons could pose a serious future problem to our churches if denied educational opportunities due to lack of financial support.

Surely our students who are diligently seeking an education of the total man need to know their churches are standing by our North Carolina Baptist schools financially as well as spiritually. Indeed, what mission effort could be more worthy!

## BAPTIST HOMES FOR THE AGING REPORT

God has blessed our Homes for the Aging through all of our nineteen years, and during the past year in a very special way. We acknowledge His goodness and thank Him for every manifestation of His love. We also want to express sincere gratitude to our Baptist people for their increased love and concern for the 195 dear elderly people to whom we are ministering in our five Baptist Homes - Resthaven, the Hayes Home and Nursing Care Unit, in Winston-Salem; the Albermarle Home, in Albermarle; the Hamilton Home, in Hamilton; and the Yanceyville Home in Yanceyville.

An urgent appeal was made, before our special offering in February, to help reduce the alarming deficit in the operation of the Homes. The plea was heard and the offering of $168,349.34 from July 1, 1969 through June 30, 1970 from our Baptist churches has exceeded all other offerings in previous years. Even though our offerings reflect an increase over the previous year, this increase will only take care of approximately one-half of the additional amount necessary in operating the Homes for the coming year, due to inflationary pressures.

A gift of $80,000.00 has been offered, contingent upon the Homes raising an additional $80,000.00 for a proposed addition to our present Nursing Care Unit. This would bring our total nursing care capacity to 80 beds. Let us pray and give for the success of this very special project in the care of our elderly sick.

There is no greater security for an older person than that of the Christian nurture and love offered in our Baptist Homes. The staff and residents continue to thank God and our Baptist people for this ministry.

The Psalmist said, "Cast me not off in the time of old age; forsake me not when my strength faileth" (Psalm 71:9). On behalf of these to whom Christian love and care means so much, let us not grow weary in well-doing.

## CHILDREN'S HOMES REPORT

Responding to the impact of the life, ministry and teachings of our Lord, North Carolina Baptists, eighty-five years ago launched a Christian ministry of child care. Sons and daughters of these Children's Homes are now scattered throughout the world. As a result of this early Christian training, I am convinced that they have made this world a better place in which to live.

The child care programs provided by these homes encompass Christian ministries which seek to develop the child mentally, spiritually and emotionally as well as physically. Above all, the ministries encourage a rebuilding of faith - in Christ, in family and in friends. These Children's Homes have grown rapidly, but not rapidly enough, for in the future they hope to expand their services for emotionally disturbed children, services to unwed mothers and their offspring, adoptive services, homemaker services, additional foster homes. Your Children's Homes annually serve approximately one-thousand children in a continuing type of care. In addition, casework services are provided for more than three-hundred children for whom other plans were made. These children are from two years of age through high school graduation.

These homes recognize boys and girls for their sacred worth and for their possibilities of future growth and development. No task is more important to the homes than helping a child, hurt by life, to grow into healthy, well-adjusted, responsible citizens.

With this task before them, and with such a high and noble purpose certainly they merit our continued prayers and financial support.

## RELIGIOUS LITERATURE REPORT

With the quantity of religious literature available today, there is no excuse for any Baptist not being well-informed. However, we realize that availability is not enough, for this literature is not being used as it should be.

Our best source of information is the Bible. Even though there is a Bible in practically every Baptist home, many of these Bibles are nothing more that dust-catchers as they are seldom read. The world today is filled with moral degradation, racial hatred, envy and jealousy. The Bible contains the solution to all of these ills of society. It is our best guide to moral standards. It contains the only solution to our puzzling social, economic, and international problems. These facts need to be impressed on the minds of our young people as well as adults if the conditions of our world are to be improved.

Then, too, we have our state Baptist paper, the Biblical Recorder, which keeps us abreast of religious happenings throughout the state. We hope that in the near future this weekly periodical will be going into each Baptist home in our Chowan Association.

Our Sunday School material, Training Union quarterlies, HOME LIFE, Brotherhood, Royal Service and other W.M.U. literature help to constitute a well-rounded program for our homes and churches.

If we will read this religious literature and apply it in our daily living, we will see definite results in our homes and churches thereby improving our society.

## BAPTIST HOSPITAL REPORT

Our Baptist Hospital continues to grow. Physical growth is the result of the long-range development program which has already seen the completion of the new power plant, the School of Nursing and Allied Health Building, and the additions to the Medical School. Construction of the new patient tower is progressing.

There is improved equipment in the heart diagnostic center in the fight against heart disease; the department of nuclear medicine continues to make progress in the diagnosis and treatment of some of our most dreaded diseases; the stroke center renders valuable service in the study and treatment of strokes and brain tumors. New equipment for the Intensive Care unit includes an instrument which is attached to the patient and measures his heart action and blood pressure; if either varies from a safe range the machine signals the attendant immediately.

With all the growth, one thing remains unchanged: the desire and determination to care for the needy sick. This has been at the heart of the hospital's ministry since it opened in 1923. Last year it ministered to 5,225 Service patients for 47,499 days of hospital care, in addition to the large number served in the Outpatient Clinics. The free care amounted to more than a million dollars beyond what these patients, their insurance, and all sponsoring agencies paid. N.C. Baptists provided $565.000 of this amount - $237,000 through the Cooperative Program and $328,000 through the Mother's Day Offering. To date this year 47 CHURCHES IN OUR ASSOCIATION CONTRIBUTED $4,628.93 of the Mother's Day Fund, thus helping the hospital keep faith with its purpose.

Though our Mother's Day Offerings have grown they have not kept pace with the rising costs and our hospital is running a heavy deficit. If full use is to be made of the new medical procedures and facilities if fulfilling our mission, we are going to have to give our Baptist Hospital additional support.
